Mr. Alexander Sungu
Chief Officer (CFM)
Bluyema Community Forest
Zorzor District, Lofa County

Dear Mr. Sungu:

The Management of Sing African Plantations Liberia, Inc. Writes to inform you that the arrear payment for the months of March and April 2022 as per the resolution signed between us and the Bluyema Community Forest Management body will be made on June 30, 2022.

This delay is due to the economic crisis faced d by the company. In addition, the road work from Boda to Sablima is nearing completion from which SAPLI will continue the road from Ba Town to the via River Bridge which has gone half way.

On the issue of the three bridges to be constructed on the main road from Balawalazu to Konia Town, Assessment has already been carried on and construction will begin as soon as the road contract between SAPLI and the Government of Liberia is finally approved by GOL. Such approval is expected to be completed soon.

Finally, SAPLI writes to appeal to the CFMB, EC and Community Assembly of the Bluyema Community Forest to allow the signing of the reviewed agreement on June 17, 2022.

It is our believe that this signing will allow SAPLI to carry on production during the next production season.

In view of the foregoing, we pray for your usual and kind cooperation.

Thanks.

Sincerely yours,

K. Moses Monlonporlor
