Chapter 1—Preliminary

Part 1—Preliminary

1 Short title [see Note 1]

This Act may be cited as the *Environment Protection and Biodiversity Conservation Act 1999*.

2 Commencement [see Note 1]

- (1) Subject to subsection (2), this Act commences on a day to be fixed by Proclamation.
- (2) If this Act does not commence under subsection (1) within the period of 12 months beginning on the day on which it receives the Royal Assent, it commences on the first day after the end of that period.

3 Objects of Act

- (1) The objects of this Act are:
 - (a) to provide for the protection of the environment, especially those aspects of the environment that are matters of national environmental significance; and
 - (b) to promote ecologically sustainable development through the conservation and ecologically sustainable use of natural resources; and
 - (c) to promote the conservation of biodiversity; and
 - (ca) to provide for the protection and conservation of heritage; and

Section 3

- (d) to promote a co-operative approach to the protection and management of the environment involving governments, the community, land-holders and indigenous peoples; and
 - (e) to assist in the co-operative implementation of Australia's international environmental responsibilities; and
 - (f) to recognise the role of indigenous people in the conservation and ecologically sustainable use of Australia's biodiversity; and
 - (g) to promote the use of indigenous peoples' knowledge of biodiversity with the involvement of, and in co-operation with, the owners of the knowledge.
- (2) In order to achieve its objects, the Act:
- (a) recognises an appropriate role for the Commonwealth in relation to the environment by focussing Commonwealth involvement on matters of national environmental significance and on Commonwealth actions and Commonwealth areas; and
 - (b) strengthens intergovernmental co-operation, and minimises duplication, through bilateral agreements; and
 - (c) provides for the intergovernmental accreditation of environmental assessment and approval processes; and
 - (d) adopts an efficient and timely Commonwealth environmental assessment and approval process that will ensure activities that are likely to have significant impacts on the environment are properly assessed; and
 - (e) enhances Australia's capacity to ensure the conservation of its biodiversity by including provisions to:
 - (i) protect native species (and in particular prevent the extinction, and promote the recovery, of threatened species) and ensure the conservation of migratory species; and

- (a) decision-making processes should effectively integrate both long-term and short-term economic, environmental, social and equitable considerations;
- (b) if there are threats of serious or irreversible environmental damage, lack of full scientific certainty should not be used as a reason for postponing measures to prevent environmental degradation;
- (c) the principle of inter-generational equity—that the present generation should ensure that the health, diversity and productivity of the environment is maintained or enhanced for the benefit of future generations;

Section 4

- (d) the conservation of biological diversity and ecological integrity should be a fundamental consideration in decision-making;
- (e) improved valuation, pricing and incentive mechanisms should be promoted.

Chapter 2—Protecting the environment

Part 2—Simplified outline of this Chapter

11 Simplified outline of this Chapter

The following is a simplified outline of this Chapter:

This Chapter provides a basis for the Minister to decide whether an action that has, will have or is likely to have a significant impact on certain aspects of the environment should proceed.

It does so by prohibiting a person from taking an action without the Minister having given approval or decided that approval is not needed. (Part 9 deals with the giving of approval.)

Approval is not needed to take an action if any of the following declare that the action does not need approval:

- (a) a bilateral agreement between the Commonwealth and the State or Territory in which the action is taken;
- (b) a declaration by the Minister.

Also, an action does not need approval if it is taken in accordance with Regional Forest Agreements or a plan for managing the Great Barrier Reef.

Part 3—Requirements for environmental approvals

Division 1—Requirements relating to matters of national environmental significance

Subdivision A—World Heritage

12 Requirement for approval of activities with a significant impact on a declared World Heritage property

- (1) A person must not take an action that:
- (a) has or will have a significant impact on the world heritage values of a declared World Heritage property; or
 - (b) is likely to have a significant impact on the world heritage values of a declared World Heritage property.

Civil penalty:

- (a) for an individual—5,000 penalty units;
 - (b) for a body corporate—50,000 penalty units.
- (2) Subsection (1) does not apply to an action if:
- (a) an approval of the taking of the action by the person is in operation under Part 9 for the purposes of this section; or
 - (b) Part 4 lets the person take the action without an approval under Part 9 for the purposes of this section; or
 - (c) there is in force a decision of the Minister under Division 2 of Part 7 that this section is not a controlling provision for the action and, if the decision was made because the Minister believed the action would be taken in a manner specified in the notice of the decision under section 77, the action is taken in that manner; or
 - (d) the action is an action described in subsection 160(2) (which describes actions whose authorisation is subject to a special environmental assessment process).

Section 13

(3) A property has *world heritage values* only if it contains natural heritage or cultural heritage. The *world heritage values* of the property are the natural heritage and cultural heritage contained in the property.

(4) In this section:

cultural heritage has the meaning given by the World Heritage Convention.

natural heritage has the meaning given by the World Heritage Convention.

13 What is a *declared World Heritage property*?

Properties on World Heritage List

(1) A property included in the World Heritage List is a ***declared World Heritage property*** as long as the property is included in the List.

Properties not yet on World Heritage List

(2) A property specified in a declaration made under section 14 (with any amendments made under section 15) is a ***declared World Heritage property*** for the period for which the declaration is in force.

14 Declaring a property to be a declared World Heritage property

Making declarations

- (1) The Minister may declare a specified property to be a declared World Heritage property by notice in the *Gazette* if:
- (a) the property is a property submitted by the Commonwealth to the World Heritage Committee under Article 11 of the World Heritage Convention as suitable for inclusion in the World Heritage List; or
 - (b) the Minister is satisfied that:
 - (i) the property has, or is likely to have, world heritage values; and

- (ii) some or all of the world heritage values of the property are under threat.

Note 1: The Minister may make more than one declaration relating to the same property. See subsection 33(1) of the *Acts Interpretation Act 1901*.

Note 2: The Minister may make an extra declaration to cover property that is an extension of a property previously submitted to the World Heritage Committee.

Consulting State or Territory before making declaration

- (2) Before the Minister makes a declaration relating to property wholly or partly within a State or self-governing Territory, the Minister must inform the appropriate Minister of the State or Territory of the proposal to make the declaration, and give him or her a reasonable opportunity to comment on the proposal.

Consultation not required if threat is imminent

- (3) However, the Minister need not comply with subsection (2) if:
- (a) he or she proposes to make a declaration in the circumstances described in paragraph (1)(b); and
 - (b) he or she is satisfied that the threat mentioned in subparagraph (1)(b)(ii) is imminent.

Failure to comply with subsection (2)

- (4) The validity of a declaration is not affected by a failure to comply with subsection (2) in relation to the making of the declaration.

When a declaration is in force

- (5) A declaration:
- (a) comes into force when it is published in the *Gazette*; and
 - (b) remains in force (whether amended under section 15 or not) until the earliest of the following events:
 - (i) the end of the period specified in the declaration as the period for which the declaration is in force;
 - (ii) the revocation of the declaration;

Section 15

- (iii) if the declaration specifies a property submitted to the World Heritage Committee for inclusion in the World Heritage List—the Committee either includes the property in the List or decides the property should not be included in the List.

Specified period for which declaration is in force

- (6) The Minister must specify in a declaration the period for which it is to be in force. The period must not be longer than the period the Minister believes:
 - (a) the World Heritage Committee needs to decide whether or not to include the property in the World Heritage List, in the case of a declaration specifying a property that has been submitted to the Committee for inclusion in the List; or
 - (b) the Commonwealth needs to decide whether the property has world heritage values and to submit the property to the World Heritage Committee for inclusion in the World Heritage List, in the case of a declaration specifying a property not yet submitted to the Committee for inclusion in the List.

Declarations because of threat in force for a year or less

- (7) The Minister must not specify that a declaration of a property is to be in force for more than 12 months if:
 - (a) the declaration is made in the circumstances described in paragraph (1)(b); and
 - (b) the property is not a property submitted by the Commonwealth to the World Heritage Committee under Article 11 of the World Heritage Convention as suitable for inclusion in the World Heritage List.

15 Amending or revoking a declaration of a declared World Heritage property

Revoking declarations specifying nominated property

- (1) The Minister must, by notice in the *Gazette*, revoke a declaration made under section 14 specifying a property that has been

submitted to the World Heritage Committee for inclusion in the World Heritage List if the Commonwealth decides to withdraw the submission of the property for inclusion in the List.

Amending declarations specifying nominated property

- (2) The Minister must, by notice in the *Gazette*, amend a declaration made under section 14 specifying a property that has been submitted to the World Heritage Committee for inclusion in the World Heritage List so as to remove from the specification any part of the property that the Commonwealth decides to withdraw from the submission.

Revoking declarations specifying property not yet nominated

- (3) The Minister must, by notice in the *Gazette*, revoke a declaration made under section 14 specifying a property that is not submitted to the World Heritage Committee for inclusion in the World Heritage List if:
- (a) the Minister is satisfied that the property does not have world heritage values; or
 - (b) the Commonwealth decides not to submit the property to the Committee for inclusion in the List; or
 - (c) the Minister is satisfied that none of the world heritage values of the property are under threat.

15A Offences relating to declared World Heritage properties

- (3) An offence against subsection (1) or (2) is punishable on conviction by imprisonment for a term not more than 7 years, a fine not more than 420 penalty units, or both.

Note 1: Subsection 4B(3) of the *Crimes Act 1914* lets a court fine a body corporate up to 5 times the maximum amount the court could fine a person under this subsection.

Note 2: An executive officer of a body corporate convicted of an offence against this section may also be guilty of an offence against section 495.

64 Cancellation or suspension of bilateral agreement does not affect certain actions

Application

- (1) This section explains how this Act operates in relation to an action that a person was able to take without approval under Part 9 for the purposes of a provision of Part 3 because of Division 1 of Part 4 and a provision of a bilateral agreement immediately before the cancellation or suspension of the operation of the provision of the agreement for the purposes of this Act or of any provision of this Act.

Actions approved in specified manner may be taken

- (2) If the action was able to be taken without approval under Part 9 because its taking had already been approved in accordance with a management plan that is a bilaterally accredited management plan for the purposes of the agreement, this Act continues to operate in relation to the action as if the suspension or cancellation had not occurred.

Section 65

Subdivision B—Expiry of bilateral agreements

65 Expiry and review of bilateral agreements

- (1) A bilateral agreement ceases to have effect for the purposes of this Act:

- (2) The Minister must:
- (a) cause a review of the operation of a bilateral agreement to be carried out; and
 - (b) give a report of the review to the appropriate Minister of the State or Territory that is party to the agreement;
- before the agreement ceases to have effect as a result of this section.

Note: A bilateral agreement may also provide for review of its operation.

- (3) The Minister must publish the report in accordance with the regulations.

65A Expiry of bilateral agreement does not affect certain actions

Application of subsection (2)

- (1) Subsection (2) explains how this Act operates in relation to an action that a person was able to take without approval under Part 9 for the purposes of a provision of Part 3 because of Division 1 of Part 4 and a provision of a bilateral agreement immediately before the agreement ceases to have effect for the purposes of this Act under section 65.

Actions already approved may be taken

- (2) This Act continues to operate in relation to the action as if the agreement had not ceased to have effect if the action was able to be taken without approval under Part 9 because its taking had already

been approved in accordance with a management plan that was a bilaterally accredited management plan for the purposes of the agreement.

Chapter 4—Environmental assessments and approvals

Part 6—Simplified outline of this Chapter

66 Simplified outline of this Chapter

The following is a simplified outline of this Chapter:

This Chapter deals with assessment and approval of actions that Part 3 prohibits without approval (*controlled actions*). (It does not deal with actions that a bilateral agreement declares not to need approval.)

A person proposing to take an action, or a government body aware of the proposal, may refer the proposal to the Minister so he or she can decide:

- (a) whether his or her approval is needed to take the action; and
- (b) how to assess the impacts of the action to be able to make an informed decision whether or not to approve the action.

An assessment may be done using:

- (a) a process laid down under a bilateral agreement; or
- (b) a process specified in a declaration by the Minister; or
- (c) a process accredited by the Minister; or

- (d) preliminary documentation provided by the proponent; or
- (e) a public environment report; or
- (f) an environmental impact statement; or
- (g) a public inquiry.

Once the report of the assessment is given to the Minister, he or she must decide whether or not to approve the action, and what conditions to attach to any approval.

Part 7—Deciding whether approval of actions is needed

Division 1—Referral of proposals to take action

67 What is a *controlled action*?

An action that a person proposes to take is a *controlled action* if the taking of the action by the person without approval under Part 9 for the purposes of a provision of Part 3 would be prohibited by the provision. The provision is a *controlling provision* for the action.

68 Referral by person proposing to take action

- (1) A person proposing to take an action that the person thinks may be or is a controlled action must refer the proposal to the Minister for the Minister's decision whether or not the action is a controlled action.
- (2) A person proposing to take an action that the person thinks is not a controlled action may refer the proposal to the Minister for the Minister's decision whether or not the action is a controlled action.
- (3) In a referral under this section, the person must state whether or not the person thinks the action the person proposes to take is a controlled action.
- (4) If the person states that the person thinks the action is a controlled action, the person must identify in the statement each provision that the person thinks is a controlling provision.
- (5) Subsections (1) and (2) do not apply in relation to a person proposing to take an action if the person has been informed by the Minister under section 73 that the proposal has been referred to the Minister.

69 State or Territory may refer proposal to Minister

- (1) A State, self-governing Territory or agency of a State or self-governing Territory that is aware of a proposal by a person to take an action may refer the proposal to the Minister for a decision whether or not the action is a controlled action, if the State, Territory or agency has administrative responsibilities relating to the action.
- (2) This section does not apply in relation to a proposal by a State, self-governing Territory or agency of a State or self-governing Territory to take an action.

Note: Section 68 applies instead.

70 Minister may request referral of proposal

- (1) If the Minister believes a person proposes to take an action that the Minister thinks may be or is a controlled action, the Minister may request:
 - (a) the person; or
 - (b) a State, self-governing Territory or agency of a State or self-governing Territory that the Minister believes has administrative responsibilities relating to the action;to refer the proposal to the Minister within 15 business days or a longer period agreed by the Minister and the requested person, State, Territory or agency (as appropriate).

Note 1: If the proposal to take the action is not referred, the person cannot get an approval under Part 9 to take the action. If taking the action without approval contravenes Part 3, an injunction could be sought to prevent or stop the action, or the person could be ordered to pay a pecuniary penalty.

Note 2: Section 156 sets out rules about time limits.

- (2) In making a request, the Minister must act in accordance with the regulations (if any).

Deemed referral of proposal

- (3) If:
 - (a) the Minister has made a request under subsection (1); and

Section 71

- (b) the period for compliance with the request has ended; and
 - (c) the requested person has not referred the proposal to the Minister in accordance with the request;
- the Minister may, within 20 business days after the end of that period, determine in writing that this Act has effect as if:
- (d) if paragraph (1)(a) applies—the requested person had referred the proposal to the Minister under subsection 68(1) at the time the determination was made; or
 - (e) if paragraph (1)(b) applies—the requested person had referred the proposal to the Minister under subsection 69(1) at the time the determination was made.
- (4) A determination under subsection (3) has effect accordingly.
 - (5) A copy of a determination under subsection (3) is to be given to the requested person.
 - (6) Subsection 68(3) and section 72 do not apply to a referral covered by subsection (3) of this section.
 - (7) Despite subsection 74(4), section 74 applies to a referral covered by subsection (3) of this section.
 - (8) Subsection 74(3) applies to a referral covered by subsection (3) of this section as if the reference in paragraph 74(3)(a) to the referral were a reference to the determination concerned.

71 Commonwealth agency may refer proposal to Minister

- (1) A Commonwealth agency (except the Minister) that is aware of a proposal by a person to take an action may refer the proposal to the Minister for a decision whether or not the action is a controlled action, if the agency has administrative responsibilities relating to the action.

 - (a) inform the Aboriginal and Torres Strait Islander Commission; and

Section 74

if the Minister thinks that section 15B, 15C, 23, 24A, 26, 27A, 27B, 27C or 28 could be a controlling provision for the action because of the indigenous heritage value of a National Heritage place or Commonwealth Heritage place.

Note 1: Subsections 15B(4) and subsections 15C(7) and (8) protect the National Heritage values of National Heritage places, to the extent that those values are indigenous heritage values.

Note 2: Sections 23, 24A, 26, 27A, 27B, 27C and 28 protect the environment, which includes the heritage values of places. See the definition of *environment* in section 528.

- (2) As soon as practicable after receiving, from the person proposing to take an action or from a Commonwealth agency, a referral of a proposal to take an action in a State or self-governing Territory, the Environment Minister must:
- (a) inform the appropriate Minister of the State or Territory; and
(b) invite that Minister to give the Environment Minister comments within 10 business days on whether the proposed action is a controlled action;

if the Environment Minister thinks the action may have an impact on a matter protected by a provision of Division 1 of Part 3 (about matters of national environmental significance).

Note: Subsection (2) also applies in relation to actions to be taken in an area offshore from a State or the Northern Territory. See section 157.

Inviting public comment

Section does not apply if proponent says action is controlled action

- (4) This section does not apply in relation to a referral of a proposal to take an action by the person proposing to take the action if the person states in the referral that the person thinks the action is a controlled action.

74A Minister may request referral of a larger action

- (1) If the Minister receives a referral in relation to a proposal to take an action by a person, and the Minister is satisfied the action that is the subject of the referral is a component of a larger action the person proposes to take, the Minister may decide to not accept the referral.
- (2) If the Minister decides to not accept a referral under subsection (1), the Minister:
- (a) must give written notice of the decision to the person who referred the proposal to the Minister; and
 - (b) must give written notice of the decision to the person who is proposing to take the action that was the subject of the referral; and

Minister must consider public comment

- (1A) In making a decision under subsection (1) about the action, the Minister must consider the comments (if any) received:
 - (a) in response to the invitation (if any) under subsection 74(3) for anyone to give the Minister comments on whether the action is a controlled action; and
 - (b) within the period specified in the invitation.

Considerations in decision

- (2) If, when the Minister makes a decision under subsection (1), it is relevant for the Minister to consider the impacts of an action:
 - (a) the Minister must consider all adverse impacts (if any) the action:
 - (i) has or will have; or

Note: Section 156 sets out rules about time limits.

Time does not run while further information being sought

- (6) If the Minister has requested more information under section 76 for the purposes of making a decision, a day is not to be counted as a business day for the purposes of subsection (5) if it is:
- (a) on or after the day the Minister requested the information; and
 - (b) on or before the day on which the Minister receives the last of the information requested.

Running of time may be suspended by agreement

- (7) The Minister and the person proposing to take the action may agree in writing that days within a period worked out in accordance with

 - (a) give written notice of the decision to:
 - (i) the person proposing to take the action; and
 - (ii) if the Minister has designated as proponent of the action a person who does not propose to take the action—that person; and
 - (iii) if the Minister decided that the action is a controlled action because of Division 1 of Part 3 (which deals with matters of national environmental significance)—the appropriate Minister of each State or self-governing Territory in which the action is to be taken; and
 - (b) publish notice of the decision in accordance with the regulations.

Note 1: Section 156 sets out rules about time limits.

Note 2: Subparagraph (1)(a)(iii) also applies to actions to be taken in an area offshore from a State or the Northern Territory. See section 157.

Notice must identify any applicable controlling provisions

- (2) If the decision is that the action is a controlled action, the notice must identify each of the controlling provisions.

Reasons for decision

- (4) The Minister must give reasons for the decision to a person who:
- (a) has been given the notice; and
 - (b) within 28 days of being given the notice, has requested the Minister to provide reasons.

The Minister must do so as soon as practicable, and in any case within 28 days of receiving the request.

77A Action to be taken in a particular manner

- (1) If, in deciding whether the action is a controlled action or not, the Minister has made a decision (the *component decision*) that a particular provision of Part 3 is not a controlling provision for the action because the Minister believes it will be taken in a particular manner (whether or not in accordance with an accredited management plan for the purposes of a declaration under section 33 or a bilaterally accredited management plan for the purposes of a bilateral agreement), the notice, to be provided under section 77, must set out the component decision, identifying the provision and the manner.

Note: The Minister may decide that a provision of Part 3 is not a controlling provision for an action because he or she believes that the action will be taken in a manner that will ensure the action will not have (and is not likely to have) an adverse impact on the matter protected by the provision.

- (2) A person must not take an action, that is the subject of a notice that includes a particular manner under subsection (1), in a way that is inconsistent with the manner specified in the notice.

Civil penalty:

- (a) for an individual—1,000 penalty units, or such lower amount as is prescribed by the regulations;

Section 78

- (b) for a body corporate—10,000 penalty units, or such lower amount as is prescribed by the regulations.

78 Reconsideration of decision

Limited power to vary or substitute decisions

- (1) The Minister may revoke a decision (the *first decision*) made under subsection 75(1) about an action and substitute a new decision under that subsection for the first decision, but only if:
 - (a) the Minister is satisfied that the revocation and substitution is warranted by the availability of substantial new information about the impacts that the action:
 - (i) has or will have; or
 - (ii) is likely to have;on a matter protected by a provision of Part 3; or
 - (aa) the Minister is satisfied that the revocation and substitution is warranted by a substantial change in circumstances that was not foreseen at the time of the first decision and relates to the impacts that the action:
 - (i) has or will have; or
 - (ii) is likely to have;on a matter protected by a provision of Part 3; or
 - (b) if the first decision was that the action was not a controlled action because the Minister believed the action would be taken in the manner identified under subsection 77A(1) in the notice given under section 77—the Minister is satisfied that the action is not being, or will not be, taken in the manner identified; or
 - (c) if the first decision was that the action was not a controlled action because of a provision of a bilateral agreement or a declaration under section 33 and a management plan that is a bilaterally accredited management plan for the purposes of the agreement or an accredited management plan for the purposes of the declaration:
 - (i) the provision of the agreement or declaration no longer operates in relation to the action; or

- (ii) the management plan is no longer in force under a law of the Commonwealth, a State or a self-governing Territory identified in or under the agreement or declaration; or
- (d) the Minister is requested under section 79 to reconsider the decision.

Reversing decision that provision of Part 3 is not controlling provision

- (2) A provision of Part 3 letting an action be taken if the Minister has decided that a particular provision (the **prohibiting provision**) of that Part is not a controlling provision for the action does not prevent the Minister from acting under subsection (1) to revoke a decision that the prohibiting provision is not a controlling provision for an action and substitute a decision that the prohibiting provision is a controlling provision for the action.

Decision not to be revoked after approval granted or refused or action taken

- (3) The Minister must not revoke the first decision after:
 - (a) the Minister has granted or refused an approval of the taking of the action; or
 - (b) the action is taken.

General effect of change of decision

- (4) When the first decision is revoked and a new decision is substituted for it:
 - (a) any provisions of this Chapter that applied in relation to the action because of the first decision cease to apply in relation to the action; and
 - (b) any provisions of this Chapter that are relevant because of the new decision apply in relation to the action.

Change of designation of proponent

- (5) If the Minister believes a person (the **first proponent**) designated under section 75 as proponent of an action is no longer an

Section 79

appropriate person to be the designated proponent of the action, the Minister may revoke the designation and designate another person (the *later proponent*) as proponent of the action.

Consent to designation

- (6) The Minister may designate the other person as proponent of the action only if:
- (a) he or she consents to it and the person proposing to take the action agrees to it; or
 - (b) the other person is the person proposing to take the action.

Effect of change of designated proponent

- (7) If the Minister revokes the designation of the first proponent and designates the later proponent:
- (a) the provisions of this Chapter that applied to the first proponent cease to apply to the first proponent in relation to the action but apply to the later proponent; and
 - (b) for the purposes of those provisions the later proponent is taken to have done anything the first proponent did in relation to the action; and
 - (c) for the purposes of those provisions anything done in relation to the first proponent in relation to the action is taken to have been done in relation to the later proponent.

79 Reconsideration of decision on request by a State or Territory

- (1) This section applies if:
- (a) the Minister (the *Environment Minister*) makes a decision about whether a provision of Division 1 of Part 3 is a controlling provision for an action proposed to be taken in a State or self-governing Territory; and
 - (b) the person proposing to take the action did not refer the proposal to the Minister with a statement that the person thought the action was a controlled action.

Note 1: Division 1 of Part 3 deals with requirements for approvals for actions involving matters of national environmental significance.

Note 2: This section also applies to actions to be taken in an area offshore from a State or the Northern Territory. See section 157.

- (2) Within 5 business days of being notified of the decision, a Minister of the State or Territory may request the Environment Minister to reconsider the Environment Minister's decisions made under subsection 75(1).

Note: Subsection 75(1) provides for decisions about whether the action is a controlled action and what the controlling provisions for the action are.

- (3) Within 20 business days after receiving a request to reconsider a decision, the Environment Minister must:
- (a) reconsider the decision; and
 - (b) either confirm it or revoke it and substitute a new decision for it; and
 - (c) give written notice of the outcome of the reconsideration and reasons for the outcome to:
 - (i) the Minister who requested the reconsideration; and
 - (ii) the person proposing to take the action; and
 - (iii) the designated proponent of the action; and
 - (d) after giving notice as described in paragraph (c), publish notice of the outcome and the reasons for it in accordance with the regulations.

Note: Section 156 sets out rules about time limits.

Part 8—Assessing impacts of controlled actions

Division 1—Simplified outline of this Part

80 Simplified outline of this Part

The following is a simplified outline of this Part:

This Part provides for the assessment of impacts of controlled actions, to provide information for decisions whether or not to approve the taking of the actions. However, this Part does not apply to actions that a bilateral agreement or Ministerial declaration says are to be assessed in another way.

For actions that are to be assessed under this Part, the Minister must choose one of the following methods of assessment:

- (a) an accredited assessment process;
- (b) an assessment on preliminary documentation (see Division 4);
- (c) a public environment report (see Division 5);
- (d) an environmental impact statement (see Division 6);
- (e) a public inquiry (see Division 7).

Division 2—Application of this Part

81 Application

- (1) This Part applies to the assessment of the relevant impacts of an action that the Minister has decided under Division 2 of Part 7 is a controlled action.
- (2) This section has effect subject to sections 83 and 84.
- (3) This section does not limit section 82.

82 What are the *relevant impacts* of an action?

If the Minister has decided the action is a controlled action

- (1) If the Minister has decided under Division 2 of Part 7 that an action is a controlled action, the ***relevant impacts*** of the action are the impacts that the action:
 - (a) has or will have; or
 - (b) is likely to have;on the matter protected by each provision of Part 3 that the Minister has decided under that Division is a controlling provision for the action.

If the Minister has not decided whether the action is controlled

- (2) If an action is a controlled action or would be apart from Division 1 or 2 of Part 4 (which provide that approval under Part 9 is not needed for an action covered by a bilateral agreement or declaration)—the ***relevant impacts*** of the action are impacts that the action:
 - (a) has or will have; or
 - (b) is likely to have;on the matter protected by each provision of Part 3 that is a controlling provision for the action or would be apart from whichever of those Divisions is relevant.

Section 83

Relationship between subsections (1) and (2)

- (3) Subsection (1) has effect despite subsection (2).

83 This Part does not apply if action covered by bilateral agreement

- (1) This Part does not apply in relation to an action if:
- (a) the action is to be taken in a State or self-governing Territory; and
 - (b) a bilateral agreement between the Commonwealth and the State or Territory declares that actions in a class that includes the action need not be assessed under this Part; and
 - (c) the provision of the bilateral agreement making the declaration is in operation in relation to the action.

Note 1: Subsection (1) also applies to actions to be taken in an area offshore from a State or the Northern Territory. See section 157.

Note 2: Section 47 deals with bilateral agreements making declarations described in paragraph (1)(b).

Note 2A: An action will be in a class of actions declared not to need assessment under this Part only if the action has been assessed in a manner specified in the bilateral agreement.

Note 3: Division 3 of Part 5 explains how the operation of a bilateral agreement may be ended or suspended. Also, under section 49, bilateral agreements do not operate in relation to actions in Commonwealth areas, or actions taken by the Commonwealth or a Commonwealth agency, unless they expressly provide that they do.

- (2) If the action is to be taken in 2 or more States or self-governing Territories, this section does not operate unless it operates in relation to each of those States or Territories.

84 This Part does not apply if action covered by declaration

When this Part does not apply

- (1) This Part does not apply in relation to an action if:
- (a) the Minister has declared in writing that actions in a class that includes the action need not be assessed under this Part; and

(b) the declaration is in operation.

Note: An action will be in a class of actions declared not to need assessment under this Part only if the action has been assessed in a manner specified in the declaration.

Declaration

- (2) The Minister may declare in writing that actions in a specified class of actions assessed by the Commonwealth or a Commonwealth agency in a specified manner do not require assessment under this Part.

Prerequisites for making a declaration

- (3) The Minister may make a declaration only if he or she is satisfied that:
- (a) assessment of an action in the specified manner will include assessment of the impacts the action:
 - (i) has or will have; or
 - (ii) is likely to have;on each matter protected by a provision of Part 3; and
 - (b) the specified manner of assessment meets the standards (if any) prescribed by the regulations; and
 - (c) if the taking of an action assessed in the specified manner must be approved under Part 9, he or she will receive a report including, or accompanied by, enough information about the relevant impacts of the action to let him or her make an informed decision whether or not to approve under Part 9 (for the purpose of each controlling provision) the taking of the action.

Further requirements for making a declaration

- (3A) Sections 34A, 34B, 34BA, 34C, 34D, 34E and 34F apply in relation to the making of a declaration under this section in the same way that they apply to the making of a declaration under section 33.

Section 84

Specified manner of assessment

- (4) The manner of assessment that may be specified in a declaration includes assessment by a Commonwealth agency under a law of the Commonwealth. This does not limit subsection (2).

Publishing declaration

- (5) The Minister must publish a declaration in accordance with the regulations.

Revoking declaration

- (6) The Minister may, by instrument in writing published in accordance with the regulations, revoke a declaration.

Minister must not give preference

- (7) In making or revoking a declaration relating to an action taken:
- (a) by a person for the purposes of trade between Australia and another country or between 2 States; or
 - (b) by a constitutional corporation;
- the Minister must not give preference (within the meaning of section 99 of the Constitution) to one State or part of a State over another State or part of a State.

Division 3—Decision on assessment approach

Subdivision A—Simplified outline of this Division

85 Simplified outline of this Division

The following is a simplified outline of this Division:

The Minister must choose one of the following ways of assessing the relevant impacts of an action the Minister has decided is a controlled action:

- (a) an accredited assessment process;
- (b) an assessment on preliminary documentation;
- (c) a public environment report;
- (d) an environmental impact statement;
- (e) a public inquiry.

Subdivision B—Deciding on approach for assessment

86 Designated proponent must provide preliminary information for assessment

The designated proponent of an action, or a person proposing to take an action, must give the Minister in the prescribed way the prescribed information relating to the action.

Note: The Minister must not decide on an approach for assessment until he or she receives information under this section. See subsection 88(1).

Section 87

87 Minister must decide on approach for assessment

Minister must choose one assessment approach

- (1) The Minister must decide which one of the following approaches must be used for assessment of the relevant impacts of the action:
- (a) assessment by an accredited assessment process;
 - (b) assessment on preliminary documentation under Division 4;
 - (c) assessment by public environment report under Division 5;
 - (d) assessment by environmental impact statement under Division 6;
 - (e) assessment by inquiry under Division 7.

Minister must consult before making decision

- (2) If:
- (a) the action is to be taken in a State or self-governing Territory and
 - (b) a controlling provision for the action is in Division 1 of Part 3 (about matters of national environmental significance);
- the Minister must invite the appropriate Minister of the State or Territory to provide information relevant to deciding which approach is appropriate, before deciding on the approach to be used for assessment of the relevant impacts of the action.

Note: Subsection (2) also applies to actions to be taken in an area offshore from a State or the Northern Territory. See section 157.

Considerations in making choice

- (3) In making the decision, the Minister must consider:
- (a) information relating to the action given to the Minister in the referral of the proposal to take the action or under section 86; and
 - (b) any other information available to the Minister about the relevant impacts of the action that the Minister considers relevant (including information in a report on the impacts of actions under a policy, plan or program under which the action is to be taken that was given to the Minister under an agreement under Part 10 (about strategic assessments)); and

- (c) any relevant information received in response to an invitation under subsection (2); and
- (d) the matters (if any) prescribed by the regulations; and
- (e) the guidelines (if any) published under subsection (6).

Accredited assessment process

- (4) The Minister may decide on an assessment by an accredited assessment process only if the Minister is satisfied that:
 - (a) the process is to be carried out under a law of the Commonwealth, a State or a self-governing Territory; and
 - (b) the process and the law meet the standards (if any) prescribed by the regulations; and
 - (c) the process will ensure that the relevant impacts of the action are adequately assessed; and
 - (d) he or she will receive a report of the outcome of the process that will provide enough information on the relevant impacts of the action to let him or her make an informed decision whether or not to approve under Part 9 (for the purposes of each controlling provision) the taking of the action.

Assessment on preliminary documentation

- (5) The Minister may decide on an assessment on preliminary documentation under Division 4 only if the Minister is satisfied (after considering the matters in subsection (3)) that that approach will allow the Minister to make an informed decision whether or not to approve under Part 9 (for the purposes of each controlling provision) the taking of the action.

Guidelines for choosing assessment approach

- (6) The Minister may publish in the *Gazette* guidelines setting out criteria for deciding which approach must be used for assessing the relevant impacts of an action.

Section 88

88 Timing of decision on assessment approach

Initial decision

- (1) The Minister must decide on the approach to be used for assessment of the relevant impacts of the action within 20 business days after whichever of the following days is later (or either of them if they are the same):
 - (a) the day the Minister decides under Division 2 of Part 7 that the action is a controlled action;
 - (b) the day the Minister is given information relating to the action as required by section 86.

Note: Section 156 sets out rules about time limits.

Extended time if difference of opinion with State or Territory

- (2) However, subsection (1) has effect as if it referred to 30 business days (instead of 20 business days) if the Minister believes that information provided in response to an invitation under subsection 87(2) cannot be considered adequately to make the decision in the time allowed by subsection (1) apart from this subsection.

Subsection (2) does not require decision to be delayed

- (3) To avoid doubt, subsection (2) does not require the Minister to delay making a decision:
 - (a) until information is received in response to an invitation under subsection 87(2); or
 - (b) until 20 business days after the Minister is given information relating to the action under section 86.

Time does not run while further information sought

- (4) If the Minister has requested more information under section 89 for the purposes of deciding on the approach to be used for assessment of the relevant impacts of the action, a day is not to be counted as a business day for the purposes of subsection (1) if it is:
 - (a) on or after the day the Minister requested the information;
 - and

- (b) on or before the day on which the Minister receives the last of the information requested.

Running of time may be suspended by agreement

- (5) The Minister and the designated proponent of the action may agree in writing that days within a period worked out in accordance with the agreement are not to be counted as business days for the purposes of subsection (1). If the agreement is made, those days are not to be counted for the purposes of that subsection.

89 Minister may request more information for making decision

If the Minister believes on reasonable grounds that the information given to the Minister in relation to an action is not enough to allow the Minister to make an informed decision on the approach to be used for assessment of the relevant impacts of the action, the Minister may request the designated proponent to provide specified information relevant to making the decision.

90 Directing an inquiry after starting an assessment

Application

- (1) This section applies if:
- (a) the Minister has made a decision (the *first decision*) under section 87 that the relevant impacts of an action must be assessed by:
 - (i) assessment by public environment report under Division 5; or
 - (ii) assessment by environmental impact statement under Division 6; and
 - (b) the designated proponent publishes:
 - (i) a draft report under section 98 (about public environment reports); or
 - (ii) a draft statement under section 103 (about environmental impact statements).

Section 91

Revoking and substituting decision

- (2) The Minister may revoke the first decision and make another decision (the *new decision*) under section 87 (in substitution for the first decision) that the relevant impacts of the action must be assessed by an inquiry under Division 7.

Effect of revocation and substitution

- (3) When the first decision is revoked and the new decision is substituted for it:
- (a) whichever of Divisions 5 and 6 applied in relation to the action because of the first decision ceases to apply in relation to the action; and
 - (b) Division 7 applies in relation to the action.

91 Notice of decision on assessment approach

- (1) Within 10 business days after making a decision on the approach to be used for assessment of the relevant impacts of an action, the Minister must:
- (a) give written notice of the decision to:
 - (i) the designated proponent of the action; and
 - (ii) if the action is to be taken in a State or self-governing Territory and a controlling provision for the action is in Division 1 of Part 3 (which deals with matters of national environmental significance)—the appropriate Minister of the State or Territory; and
 - (b) publish notice of the decision in accordance with the regulations.
- Note 1: Section 156 sets out rules about time limits.
- Note 2: Subparagraph (1)(a)(ii) also applies to actions to be taken in an area offshore from a State or the Northern Territory. See section 157.
- (2) If the Minister decided that the relevant impacts of the action are to be assessed by an accredited assessment process, the written notice and the published notice must specify the process.

Division 4—Assessment on preliminary documentation

92 Application

This Division applies in relation to an action if the Minister has decided under section 87 that the relevant impacts of the action must be assessed by assessment on preliminary documentation under this Division.

93 Public comment on information included in referral

- (1) Within 10 business days of the decision, the Minister must give the designated proponent a written direction:
 - (a) to publish within 10 business days in accordance with the regulations:
 - (i) specified information included in the referral to the Minister of the proposal to take the action; and
 - (ii) specified information that was given to the Minister under section 86; and
 - (iii) specified information relating to the action that was given to the Minister after the referral but before the Minister made the decision under section 87; and
 - (iv) an invitation for anyone to give the designated proponent comments relating to the information or the action within a period of the length specified in the direction; and
 - (b) to give to the Minister a copy and summary of any comments received within the period specified in the invitation.
- (2) The designated proponent must comply with the direction.

94 Revised documentation

- (1) After the period for comment, the designated proponent must give the Minister:
 - (a) a document that sets out the information provided to the Minister previously in relation to the action, with any

Section 95

- changes or additions needed to take account of any comments received by the designated proponent; or
- (b) if the designated proponent did not receive any comments—a written statement to that effect.
- (2) The Minister may refuse to accept a document referred to in paragraph (1)(a) if he or she believes on reasonable grounds that it is inadequate for the purposes of making an informed decision on approving under Part 9 (for the purposes of each controlling provision) the taking of the action.

95 Assessment report

Preparation

- (1) The Secretary must prepare, and give to the Minister, a report relating to the action within 20 business days after:
- (b) if the designated proponent has received comments in response to an invitation under section 93—the day the Minister accepted from the designated proponent the document described in paragraph 94(1)(a); or
- (c) if the designated proponent has not received any comments in response to an invitation under section 93—the day the designated proponent gave the Minister the statement to that effect under paragraph 94(1)(b).

Publication

- (2) The Secretary must provide to a person who asks for the report a copy of it (either free or at a reasonable charge determined by the Secretary).

Discretion not to publish

- (3) However, the Secretary may refuse to provide a copy of so much of the report as:
- (a) is an exempt document under the *Freedom of Information Act 1982* on the grounds of the security of the Commonwealth or its providing advice to the Minister; or
- (b) the Secretary is satisfied is commercial-in-confidence.

Commercial-in-confidence

- (4) The Secretary must not be satisfied that a part of the report is commercial-in-confidence unless a person demonstrates to the Secretary that:
- (a) release of the information in that part would cause competitive detriment to the person; and
 - (b) the information in that part is not in the public domain; and
 - (c) the information is not required to be disclosed under another law of the Commonwealth, a State or a Territory; and
 - (d) the information is not readily discoverable.

Division 5—Public environment reports

96 Application

This Division applies in relation to an action if the Minister has decided under section 87 that the relevant impacts of the action must be assessed by a public environment report under this Division.

97 Minister must prepare guidelines for draft public environment report

- (1) The Minister must prepare written guidelines for the content of a draft report about the relevant impacts of the action. The Minister must do so:
 - (a) within 20 business days of the decision that the relevant impacts of the action must be assessed by a public environment report under this Division; or
 - (b) if the Minister invites a person to comment on a draft of the guidelines within a period specified by the Minister—within 20 business days after the end of that period (or the latest of those periods, if there is more than one).
- (2) In preparing the guidelines, the Minister must seek to ensure that the draft report will:
 - (a) contain enough information about the action and its relevant impacts to allow the Minister to make an informed decision whether or not to approve under Part 9 (for the purposes of each controlling provision) the taking of the action; and
 - (b) address the matters (if any) prescribed by the regulations.
- (3) The guidelines may also provide for the draft report to include information about other certain and likely impacts of the action if:
 - (a) the action is to be taken in a State or self-governing Territory; and
 - (b) the appropriate Minister of the State or Territory has asked the Minister administering this section to ensure that the draft

report includes information about those other impacts to help the State or Territory, or an agency of the State or Territory, make decisions about the action; and

- (c) the action:
- (i) is to be taken by any person for the purposes of trade or commerce between Australia and another country, between 2 States, between a State and a Territory or between 2 Territories or by a constitutional corporation; or
 - (ii) is an action whose regulation is appropriate and adapted to give effect to Australia's obligations under an agreement with one or more other countries.

Note: Paragraph (3)(a) also applies to actions to be taken in an area offshore from a State or the Northern Territory. See section 157.

- (4) Division 2 does not limit:
- (a) subsection (3); or
 - (b) section 98 so far as it relates to guidelines prepared in reliance on that subsection.
- (5) In preparing the guidelines, the Minister may:
- (a) invite anyone to comment on a draft of the guidelines within a period specified by the Minister; and
 - (b) take account of the comments received (if any).

98 Designated proponent must invite comment on draft public environment report

Designated proponent's obligations

- (1) The designated proponent of the action must:
- (a) prepare a draft report about the relevant impacts of the action (and any other impacts mentioned under subsection 97(3) in the guidelines for the content of the draft report); and
 - (b) obtain the Minister's approval for publication of the draft report; and
 - (c) publish in accordance with the regulations:
 - (i) the draft report; and

Section 99

- (ii) an invitation for anyone to give the designated proponent comments relating to the draft report or the action within the period specified in the invitation; and
- (d) give the Minister a copy and summary of the comments (if any) received within the period specified in the invitation.

Approval of publication of draft report

- (2) The Minister may only approve the publication of the draft report if he or she is satisfied that the draft report adequately addresses the guidelines for the content of the draft report.

Period for comment

- (3) The period specified in the invitation to comment must be the period specified in writing given by the Minister to the designated proponent. The Minister must not specify a period of less than 20 business days.

99 Finalising public environment report

Designated proponent must finalise report

- (1) After the end of the period specified in the invitation to comment under section 98, the designated proponent must finalise the draft report, taking account of the comments received (if any), and give the finalised report to the Minister.

Form of finalised report

- (2) The designated proponent may give the finalised report to the Minister in the form of:
 - (a) a revised version of the draft report; or
 - (b) the draft report and a supplement to the draft report.

Refusal to accept finalised report

- (3) The Minister may refuse to accept the finalised report if he or she is satisfied on reasonable grounds that the finalised report is inadequate for the purposes of making an informed decision on

approving under Part 9 (for the purposes of each controlling provision) the taking of the action.

Publication of finalised report

- (4) After the Minister has accepted the finalised report, the designated proponent must publish it in accordance with the regulations.

100 Assessment report

Preparation

- (1) The Secretary must prepare, and give to the Minister, a report relating to the action within 20 business days after the day on which the Minister accepted the finalised report from the designated proponent.

Publication

- (2) The Secretary must provide to a person who asks for the report a copy of it (either free or at a reasonable charge determined by the Secretary).

Discretion not to publish

- (3) However, the Secretary may refuse to provide a copy of so much of the report as:
- (a) is an exempt document under the *Freedom of Information Act 1982* on the grounds of the security of the Commonwealth or its providing advice to the Minister; or
 - (b) the Secretary is satisfied is commercial-in-confidence.

Commercial-in-confidence

- (4) The Secretary must not be satisfied that a part of the report is commercial-in-confidence unless a person demonstrates to the Secretary that:
- (a) release of the information in that part would cause competitive detriment to the person; and
 - (b) the information in that part is not in the public domain; and

Section 100

- (c) the information is not required to be disclosed under another law of the Commonwealth, a State or a Territory; and
- (d) the information is not readily discoverable.

Division 6—Environmental impact statements

101 Application

This Division applies in relation to an action if the Minister has decided under section 87 that the relevant impacts of the action must be assessed by an environmental impact statement under this Division.

102 Minister must prepare guidelines for draft environmental impact statement

- (1) The Minister must prepare written guidelines for the content of a draft statement about the action and its relevant impacts. The Minister must do so:
 - (a) within 20 business days of the decision that the relevant impacts of the decision must be assessed by an environmental impact statement under this Division; or
 - (b) if the Minister invites a person to comment on a draft of the guidelines within a period specified by the Minister—within 20 business days after the end of that period (or the latest of those periods, if there is more than one).
- (2) In preparing the guidelines, the Minister must seek to ensure that the draft statement will:
 - (a) contain enough information about the action and its relevant impacts to allow the Minister to make an informed decision whether or not to approve under Part 9 (for the purposes of each controlling provision) the taking of the action; and
 - (b) address any matters specified by the regulations.
- (3) The guidelines may also provide for the draft statement to include information about other certain and likely impacts of an action if:
 - (a) the action is to be taken in a State or self-governing Territory; and
 - (b) the appropriate Minister of the State or Territory has asked the Minister administering this section to ensure that the draft

Section 103

statement includes information about those other impacts to help the State or Territory, or an agency of the State or Territory, make decisions about the action; and

(c) the action:

(i) is to be taken by any person for the purposes of trade or commerce between Australia and another country, between 2 States, between a State and a Territory or between 2 Territories or by a constitutional corporation; or

(ii) is an action whose regulation is appropriate and adapted to give effect to Australia's obligations under an agreement with one or more other countries.

Note: Paragraph (3)(a) also applies to actions to be taken in an area offshore from a State or the Northern Territory. See section 157.

(4) Division 2 does not limit:

(a) subsection (3); or

(b) section 103 so far as it relates to guidelines prepared in reliance on that subsection.

(5) In preparing the guidelines, the Minister may:

(a) invite anyone to comment on a draft of the guidelines within a period specified by the Minister; and

(b) take account of the comments (if any) received.

103 Designated proponent must invite comment on draft environmental impact statement

Designated proponent's obligations

(1) The designated proponent of the action must:

(a) prepare a draft statement about the relevant impacts of the action (and any other impacts mentioned under subsection 102(3) in the guidelines for the content of the draft statement); and

(b) obtain the Minister's approval for publication of the draft statement; and

(c) publish in accordance with the regulations:

- (i) the draft statement; and
- (ii) an invitation for anyone to give the designated proponent comments relating to the draft statement or the action within the period specified in the invitation; and
- (d) give the Minister a copy and summary of the comments (if any) received within the period specified in the invitation.

Approval of publication of draft statement

- (2) The Minister may only approve the publication of the draft statement if he or she is satisfied that the draft statement adequately addresses the guidelines for the content of the draft statement.

Period for comment

- (3) The period specified in the invitation to comment must be the period specified in writing given by the Minister to the designated proponent. The Minister must not specify a period of less than 20 business days.

104 Finalising draft environmental impact statement

Designated proponent must finalise statement

- (1) After the period specified in the invitation to comment under section 103, the designated proponent must:
 - (a) finalise the draft statement, taking account of the comments (if any) received in response to the invitation; and
 - (b) give the finalised statement to the Minister.

Form of finalised statement

- (2) The designated proponent may give the finalised statement to the Minister in the form of:
 - (a) a revised version of the draft statement; or
 - (b) the draft statement and a supplement to the draft statement.

Section 105

Refusal to accept finalised statement

- (3) The Minister may refuse to accept the finalised statement if he or she is satisfied on reasonable grounds that it is inadequate for the purposes of making an informed decision on approving under Part 9 (for the purposes of each controlling provision) the taking of the action.

Publication of finalised statement

- (4) After the Minister has accepted the finalised statement, the designated proponent must publish it in accordance with the regulations.

105 Assessment report

Preparation

- (1) The Secretary must prepare, and give to the Minister, a report relating to the action within 30 business days after the day on which the Minister accepted from the designated proponent the finalised statement.

Publication

- (2) The Secretary must provide to a person who asks for the report a copy of it (either free or at a reasonable charge determined by the Secretary).

Discretion not to publish

- (3) However, the Secretary may refuse to provide a copy of so much of the report as:
 - (a) is an exempt document under the *Freedom of Information Act 1982* on the grounds of the security of the Commonwealth or its providing advice to the Minister; or
 - (b) the Secretary is satisfied is commercial-in-confidence.

Commercial-in-confidence

- (4) The Secretary must not be satisfied that a part of the report is commercial-in-confidence unless a person demonstrates to the Secretary that:
- (a) release of the information in that part would cause competitive detriment to the person; and
 - (b) the information in that part is not in the public domain; and
 - (c) the information is not required to be disclosed under another law of the Commonwealth, a State or a Territory; and
 - (d) the information is not readily discoverable.

Division 7—Inquiries

Subdivision A—Preliminary

106 Simplified outline

The following is a simplified outline of this Division:

This Division provides for the Minister to appoint commissions to carry out inquiries in a flexible way into the impacts of actions.

Commissioners have powers to call witnesses, obtain documents and inspect places for the purposes of their inquiries.

Commissioners must report to the Minister and publish their reports.

Subdivision B—Establishment of inquiries

107 Appointing commissioners and setting terms of reference

- (1) If the Minister decides that the relevant impacts of an action must be assessed by inquiry under this Division, the Minister must:
 - (a) appoint in writing one or more persons (the *commissioners*) as a commission to conduct the inquiry and report to the Minister in relation to the action; and
 - (b) specify in writing (the *terms of reference*):
 - (i) the matters relating to the action that are to be the subject of the inquiry and report; and
 - (ii) the period within which the commission must report to the Minister.

Note 1: The Minister may revoke an appointment and amend terms of reference. See subsection 33(3) of the *Acts Interpretation Act 1901*.

Note 2: Subdivision E contains more provisions about the basis on which a commissioner holds office.

- (2) If the Minister appoints 2 or more commissioners for an inquiry, the Minister must appoint one of them to preside at the inquiry.
 - (3) In specifying in the terms of reference the matters relating to the action that are to be the subject of the inquiry and report, the Minister:
 - (a) must specify the relevant impacts of the action; and
 - (b) may specify other certain or likely impacts of the action.
 - (4) However, the Minister may specify other certain or likely impacts of the action only if:
 - (a) the action is to be taken in a State or self-governing Territory; and
 - (b) the appropriate Minister of the State or Territory has asked the Minister administering this section to ensure that the inquiry reports on those other impacts to help the State or Territory, or an agency of the State or Territory, make decisions about the action; and
 - (c) the action:
 - (i) is to be taken by any person for the purposes of trade or commerce between Australia and another country, between 2 States, between a State and a Territory or between 2 Territories or by a constitutional corporation; or
 - (ii) is an action whose regulation is appropriate and adapted to give effect to Australia's obligations under an agreement with one or more other countries.
- Note: Paragraph (4)(a) also applies to actions to be taken in an area offshore from a State or the Northern Territory. See section 157.
- (5) The Minister may also specify in the terms of reference the manner in which the commission is to carry out the inquiry.

108 Publicising inquiry

- (1) As soon as practicable, the commission must publish in accordance with the regulations and in any other way it thinks fit:
 - (a) the terms of reference; and

Section 109

- (b) the information relating to the action given to the Minister under this Chapter before the Minister made the decision under Division 3 to use an inquiry to assess the relevant impacts of the action.
- (2) The commission need not publish the information described in paragraph (1)(b) if, before the Minister appointed the commission, the designated proponent of the action published:
 - (a) a draft report under section 98 (which deals with draft public environment reports); or
 - (b) a draft statement under section 103 (which deals with draft environmental impact statements).

However, in this case the commission must publish as described in subsection (1) notice of the fact that the draft report or draft statement has already been published.

Subdivision C—Conduct of inquiries

109 Procedure of inquiries

- (1) A commission must comply with the terms of reference in conducting its inquiry.
- (2) Subject to this Division, a commission:
 - (a) may determine the procedure to be followed in its inquiry; and
 - (b) is not subject to any directions by an employee of the Commonwealth or by a Commonwealth agency; and
 - (c) is not bound by the rules of evidence.

110 Inquiry to be public

- (1) A hearing held as part of an inquiry must be conducted in public, except so far as the commission directs otherwise.
- (2) The commission must make publicly available (in any way the commission thinks fit) the content of any submission or evidence given to the commission in writing, except so far as the commission directs otherwise.

- (3) If the commission believes that it is desirable in the public interest, the commission may:
- (a) give directions that all or part of the inquiry be held in private, specifying the persons who may be present; and
 - (b) give directions prohibiting or restricting the publication of all or specified passages of submissions or evidence given to the commission orally or in writing.

111 Calling witnesses

Summoning witnesses

- (1) A commissioner may, by writing signed by the commissioner, summon a person to appear before the commission at a time and place specified in the summons to give evidence and produce any documents mentioned in the summons.

Failure of witness to attend

- (2) A person served with a summons to appear as a witness at an inquiry by a commission must not:
- (a) fail to attend as required by the summons; or
 - (b) fail to appear and report from day to day unless excused or released from further attendance by or on behalf of the commission.

Note: A defendant bears an evidential burden in relation to the excuse or release from further attendance mentioned in paragraph (2)(b). See subsection 13.3(3) of the *Criminal Code*.

Offence

- (3) A person who contravenes subsection (2) is guilty of an offence punishable on conviction by imprisonment for not more than 6 months, a fine of not more than 30 penalty units, or both.

Allowances for witnesses

- (4) A person summoned by a commission to appear as a witness at an inquiry is entitled to be paid by the Commonwealth such

Section 112

allowances for travelling and other expenses as are prescribed by the regulations.

112 Dealing with witnesses

Power to administer oath or affirmation

- (1) A commissioner may administer an oath or affirmation to a person appearing as a witness before the commission.

Note: This means that proceedings before the commission are *judicial proceedings* for the purposes of Part III of the *Crimes Act 1914*, which creates various offences relating to judicial proceedings.

Refusal to be sworn or to answer questions

- (2) A person appearing as a witness at an inquiry by a commission must not:
- (a) refuse or fail to be sworn or to make an affirmation; or
 - (b) refuse or fail to answer a question that the person is required to answer by the commissioner (or the commissioner presiding at the inquiry if there is more than one commissioner for the inquiry); or
 - (c) refuse or fail to produce a document that the person was required to produce by a summons served on the person.

Offence

- (3) A person who contravenes subsection (2) is guilty of an offence punishable on conviction by imprisonment for not more than 6 months, a fine of not more than 30 penalty units, or both.

Note: Subsection 4B(3) of the *Crimes Act 1914* lets a court fine a body corporate up to 5 times the maximum amount the court could fine a person under this subsection.

No privilege against self-incrimination

- (4) An individual is not excused from answering a question or producing a document on the ground that answering the question or producing the document would tend to incriminate the individual or to expose the individual to a penalty.

Answers and documents cannot be used in criminal proceedings

- (5) However, none of the following is admissible in evidence in criminal proceedings against the individual (except proceedings under section 491):
- (a) the answer to the question;
 - (b) the production of the document;
 - (c) any information, document or thing obtained as a direct or indirect consequence of answering the question or producing the document.

Sworn witnesses may also give written evidence on oath

- (6) A commission may permit a person who is appearing as a witness before the commission and has been sworn or has made an affirmation to give evidence by tendering a written statement and verifying it by oath or affirmation.

113 Dealing with documents given to commission

Inspecting and copying documents produced or given at inquiry

- (1) A commissioner, or a person assisting a commission and authorised by a commissioner to do so, may:
- (a) inspect a document produced or given to the commission; and
 - (b) make a copy of, or take an extract from, the document.

Keeping documents produced or given at inquiry

- (2) A commission may keep for a reasonable period a document produced or given to the commission.

114 Inspections of land, buildings and places

- (1) If a commissioner, or a person authorised by a commissioner, enters any land, building or place by consent as described in section 115 or under a warrant issued under section 116, the commissioner or person may:

Section 115

- (a) inspect the land, building or place; and
 - (b) inspect any material on the land, or on or in the building or place.
- (2) However, the commissioner or authorised person may not make the inspection if:
- (a) the person occupying or in charge of the land, building or place asks the commissioner or authorised person to produce his or her identity card or other written evidence of his or her identity; and
 - (b) the commissioner or person does not produce it.
- (3) A person (the *offender*) is guilty of an offence punishable on conviction by imprisonment for not more than 6 months if:
- (a) the offender obstructs or hinders another person; and
 - (b) the offender knows the other person is a commissioner, or a person authorised by a commissioner, acting under subsection (1) or a warrant issued under section 116.

Note 1: Chapter 2 of the *Criminal Code* sets out the general principles of criminal responsibility.

Note 2: Subsection 4B(2) of the *Crimes Act 1914* lets a court that convicts an individual of an offence impose a fine instead of, or as well as, imprisonment. The maximum fine (in penalty units) the court can impose is 5 times the maximum term of imprisonment (in months).

115 Entering premises by consent

- (1) A commissioner, or a person authorised by a commissioner, may enter land, a building or a place at any reasonable time for any reasonable purpose of an inquiry, if the person (the *occupant*) occupying or in charge of the land, building or place consents.
- (2) Before obtaining the consent, the commissioner or authorised person must inform the occupant that the occupant may refuse to give consent.
- (3) The commissioner or authorised person may not enter the land, building or place if:

- (a) the occupant asks the commissioner or authorised person to produce his or her identity card or other written evidence of his or her identity; and
 - (b) the commissioner or authorised person does not produce it.
- (4) An entry by a commissioner or authorised person with the occupant's consent is not lawful if the occupant's consent was not voluntary.

116 Entering premises under warrant

- (1) A commissioner may apply to a magistrate for a warrant authorising the commissioner or a person authorised by the commissioner to enter any land, building or place if the commissioner has reason to believe that it is necessary or desirable for the purposes of an inquiry for the commissioner or person to enter the land, building or place for the purposes of the inquiry.

Note: Section 117 allows applications for warrants to be made by telephone.

- (2) If the magistrate is satisfied by information on oath or affirmation that the issue of the warrant is reasonably required for the purposes of the inquiry, he or she may grant a warrant authorising the person named in the warrant to enter the land, building or place for the purposes specified in the warrant.
- (3) The magistrate must specify in the warrant the date after which the warrant ceases to have effect.
- (4) The person named in a warrant may not enter the land, building or place if:
- (a) the person occupying or in charge of the land, building or place asks the person named in the warrant to produce his or her identity card or other written evidence of his or her identity; and
 - (b) the person named in the warrant does not produce it.

Section 117

117 Warrants by telephone or other electronic means

Application

- (1) A commissioner may apply to a magistrate for a warrant by telephone, telex, facsimile or other electronic means:
 - (a) in an urgent case; or
 - (b) if the delay that would occur if an application were made in person would frustrate the effective execution of the warrant.

Voice communication

- (2) The magistrate may require communication by voice to the extent that is practicable in the circumstances.

Information

- (3) An application under this section must include all information required to be provided in an ordinary application for a warrant, but the application may, if necessary, be made before the information is sworn or affirmed.

Issue of warrant

- (4) The magistrate may complete and sign the same form of warrant that would be issued under section 116 if, after considering the information and having received and considered any further information he or she required, the magistrate is satisfied that:
 - (a) a warrant in the terms of the application should be issued urgently; or
 - (b) the delay that would occur if an application were made in person would frustrate the effective execution of the warrant.

Notification

- (5) If the magistrate decides to issue the warrant, the magistrate must inform the applicant, by telephone, telex, facsimile or other electronic means, of the terms of the warrant and the day on which and the time at which it was signed.

Form of warrant

- (6) The applicant must then complete a form of warrant in terms substantially corresponding to those given by the magistrate, stating on the form the name of the magistrate and the day on which and the time at which the warrant was signed.

Completed form of warrant to be given to magistrate

- (7) The applicant must, not later than the day after the day of expiry of the warrant or the day after the day on which the warrant was executed, whichever is the earlier, give or transmit to the magistrate:
- (a) the form of warrant completed by the applicant; and
 - (b) if the information referred to in subsection (3) was not sworn or affirmed—that information duly sworn or affirmed.

Attachment

- (8) The magistrate must attach to the documents provided under subsection (7) the form of warrant completed by the magistrate.

Presumption

- (9) If:
- (a) it is material, in any proceedings, for a court to be satisfied that the exercise of a power under a warrant issued under this section was duly authorised; and
 - (b) the form of warrant signed by the magistrate is not produced in evidence;
- the court is to assume, unless the contrary is proved, that the exercise of the power was not duly authorised.

118 Identity cards

- (1) The Minister may cause to be issued to a commissioner or a person authorised by a commissioner an identity card:
- (a) in a form approved by the Minister; and
 - (b) containing a recent photograph of the person to whom it is issued.

Section 119

- (2) As soon as practicable after the commission to which the commissioner was appointed has reported to the Minister on its inquiry, the commissioner or authorised person must return his or her identity card to the Minister.
- (3) A person must not contravene subsection (2).

Penalty: 1 penalty unit.

119 Contempt

- (1) A person is guilty of an offence punishable on conviction by a fine of not more than 30 penalty units if:
 - (a) the person insults, disturbs or uses insulting language towards another person; and
 - (b) the person knows the other person is a commissioner exercising the powers or performing the functions or duties of a commissioner.
- (2) A person is guilty of an offence punishable on conviction by a fine of not more than 30 penalty units if:
 - (a) the person creates a disturbance, or takes part in creating or continuing a disturbance, in or near a place; and
 - (b) the person knows the place is a place where a commission is holding an inquiry.
- (3) A person must not:
 - (a) interrupt an inquiry by a commission; or
 - (b) do any other act or thing that would, if a commission were a court of record, constitute a contempt of that court.

Penalty: 30 penalty units.

120 Protection of commissioners and witnesses

Protection of commissioners

- (1) In performing his or her duties as a commissioner, a commissioner has the same protection and immunity as a Justice of the High Court.

Rights and obligations of witnesses

- (2) A person appearing before a commission as a witness at an inquiry:
- (a) has the same protection as a witness in proceedings in the High Court; and
 - (b) is subject to the same liabilities in any civil or criminal proceedings as such a witness (in addition to the penalties provided by this Division).

Interfering with witness is an offence

- (3) A person must not:
- (a) use violence to or inflict injury on; or
 - (b) cause or procure violence, damage, loss or disadvantage to; or
 - (c) cause or procure the punishment of;
- another person (the *witness*) because the witness will appear or did appear as a witness at an inquiry or because of any submission or evidence the witness gave to a commission.

Interference with a witness' employment

- (4) An employer must not dismiss an employee, or prejudice an employee in his or her employment, because the employee appeared as a witness or gave any submission or evidence at an inquiry by a commission.

Interference with employee who proposes to give evidence

- (5) An employer must not dismiss or threaten to dismiss an employee or prejudice, or threaten to prejudice, an employee in his or her employment, because the employee proposes to appear as a witness or to give a submission or evidence at an inquiry by a commission.

Offences

- (6) A person who contravenes subsection (3), (4) or (5) is guilty of an offence punishable on conviction by imprisonment for not more than 6 months, a fine of not more than 30 penalty units, or both.

Section 121

Note: Subsection 4B(3) of the *Crimes Act 1914* lets a court fine a body corporate up to 5 times the maximum amount the court could fine a person under this subsection.

Burden of proof in proceedings relating to witness

- (7) In proceedings arising out of subsection (4), the employer has the burden of proving that the employee was not dismissed or prejudiced because the employee appeared as a witness or gave a submission or evidence at an inquiry by a commission, if it is established that:
- (a) the employee was dismissed from, or prejudiced in, his or her employment; and
 - (b) before the employee was dismissed or prejudiced, the employee appeared as a witness, or gave any submission or evidence, at an inquiry by a commission.

Burden of proof in proceedings relating to employee proposing to give evidence

- (8) In any proceedings arising out of subsection (5), the employer has the burden of proving that the employee was not dismissed, prejudiced in his or her employment or threatened with dismissal or prejudice because the employee proposed to appear as a witness or give evidence at an inquiry by a commission, if it is established that:
- (a) the employee was dismissed, prejudiced or threatened; and
 - (b) the employee made the proposal before the employee was dismissed, prejudiced or threatened.

Relationship of subsections (3), (4) and (5)

- (9) Subsections (4) and (5) do not limit subsection (3).

122 Publication of report

- (1) After reporting to the Minister, the commission must publish the report in accordance with the regulations.

126 Resignation

A commissioner may resign his or her appointment by giving the Minister a written resignation.

127 Termination of appointment

- (1) The Minister may terminate a commissioner's appointment for misbehaviour or physical or mental incapacity.
- (2) The Minister must terminate the appointment of a commissioner if:
 - (a) the commissioner:
 - (i) becomes bankrupt; or
 - (ii) applies to take the benefit of any law for the relief of bankrupt or insolvent debtors; or
 - (iii) compounds with his or her creditors; or
 - (iv) makes an assignment of his or her remuneration for the benefit of his or her creditors; or
 - (b) the commissioner fails, without reasonable excuse, to comply with section 128 (about disclosure of interests); or

and the Minister considers that the commissioner should not continue to participate in the conduct of the inquiry.

129 Other terms and conditions

A commissioner holds office on the terms and conditions (if any) in relation to matters not covered by this Act that are determined by the Minister.

Part 9—Approval of actions

Division 1—Decisions on approval and conditions

Subdivision A—General

130 Timing of decision on approval

Basic rule

- (1) Within whichever of the following periods is relevant, the Minister must decide for the purposes of each controlling provision whether or not to approve the taking of a controlled action:
 - (a) 30 business days, or such longer period as the Minister specifies in writing, if the action is the subject of an assessment report;
 - (b) 40 business days, or such longer period as the Minister specifies in writing, if a commission has conducted an inquiry relating to the action.

Start of period—basic rule

- (1A) The relevant period starts on the first business day after the day the Minister receives the assessment report or the report of the commission (as appropriate).

Start of period—certain actions in States and Territories

- (1B) However, if the action is to be taken in a State or self-governing Territory and is covered by subsection (1C), the relevant period starts on the later of the following days:
 - (a) the day worked out under subsection (1A);
 - (b) the first business day after the day the Minister receives from the State or self-governing Territory a notice:
 - (i) stating that the certain and likely impacts of the action on things other than matters protected by the controlling

provisions for the action have been assessed to the greatest extent practicable; and

(ii) explaining how they have been assessed.

Note 1: This means that the Minister cannot grant an approval until he or she has received notice from a State or Territory as described in paragraph (1B)(b).

Note 2: Subsection (1B) also applies in relation to actions to be taken in an area offshore from a State or the Northern Territory. See section 157.

Actions to which subsection (1B) applies

(1C) Subsection (1B) applies to an action only if it:

- (a) is to be taken by any person for the purposes of trade or commerce between Australia and another country, between 2 States, between a State and a Territory or between 2 Territories or by a constitutional corporation; or
- (b) is an action whose regulation is appropriate and adapted to give effect to Australia's obligations under an agreement with one or more other countries.

Start of period—actions in 2 or more jurisdictions

(1D) If the action is to be taken in more than one State or self-governing Territory, the relevant period does not start until after the last day on which the Minister receives from one of those States or Territories a notice described in paragraph (1B)(b).

Exception for certain actions

(1E) Subsection (1B) does not apply if:

- (a) the action:
 - (i) is a nuclear action; or
 - (ii) is to be taken in a Commonwealth marine area; or
 - (iii) is to be taken on Commonwealth land; or
 - (iv) is to be taken by the Commonwealth or a Commonwealth agency; and
- (b) the relevant impacts of the action have been assessed under Part 8.

Section 130

What is an assessment report?

- (2) An **assessment report** is a report given to the Minister as described in:
- (a) subsection 47(4) (about assessments under a bilateral agreement); or
 - (b) subsection 84(3) (about assessments in a manner specified in a declaration); or
 - (c) subsection 87(4) (about assessments by accredited assessment processes); or
 - (d) subsection 95(1) (about assessments on preliminary documentation); or

 - (f) subsection 105(1) (about environmental impact statements).

Time may be extended only to consider other Ministers' comments

- (3) The Minister may specify a longer period for the purposes of paragraph (1)(a) or (b) only if:
- (a) the Minister has received comments about a proposed decision from another Minister in accordance with an invitation under section 131; and
 - (b) the Minister is satisfied that it would not be practicable to consider them adequately and make a decision within the period that would apply if the longer period were not specified.

Notice of extension of time

- (4) If the Minister specifies a longer period for the purposes of paragraph (1)(a) or (b), he or she must:
- (a) give a copy of the specification to the person proposing to take the action; and
 - (b) publish the specification in accordance with the regulations.

Time does not run while further information is sought

- (5) If, under section 132, the Minister has requested more information for the purposes of making a decision whether or not to approve

the taking of an action, a day is not to be counted as a business day for the purposes of subsection (1) if it is:

- (a) on or after the day the Minister requested the information; and
- (b) on or before the day on which the Minister receives the last of the information requested.

131 Inviting comments from other Ministers before decision

- (1) Before the Minister (the *Environment Minister*) decides whether or not to approve the taking of an action, and what conditions (if any) to attach to an approval, he or she must:
 - (a) inform any other Minister whom the Environment Minister believes has administrative responsibilities relating to the action of the decision the Environment Minister proposes to make; and
 - (b) invite the other Minister to give the Environment Minister comments on the proposed decision within 10 business days.
- (2) A Minister invited to comment may make comments that:
 - (a) relate to economic and social matters relating to the action; and
 - (b) may be considered by the Environment Minister consistently with the principles of ecologically sustainable development.

This does not limit the comments such a Minister may give.

132 Requesting further information for approval decision

If the Minister believes on reasonable grounds that he or she does not have enough information to make an informed decision whether or not to approve for the purposes of a controlling provision the taking of an action, the Minister may request any of the following to provide specified information relevant to making the decision:

- (a) the person proposing to take the action;
- (b) the designated proponent of the action;
- (c) if a commission has conducted an inquiry under Division 7 of Part 8 relating to the action—the commission.

Section 133

133 Grant of approval

Approval

- (1) After receiving an assessment report relating to a controlled action, or the report of a commission that has conducted an inquiry relating to a controlled action, the Minister may approve for the purposes of a controlling provision the taking of the action by a person.

Content of approval

- (2) An approval must:
 - (a) be in writing; and
 - (b) specify the action that may be taken; and
 - (c) name the person who may take the action; and
 - (d) specify each provision of Part 3 for which the approval has effect; and
 - (e) specify the period for which the approval has effect; and
 - (f) set out any conditions attached to the approval.

Notice of approval

- (3) The Minister must:
 - (a) give a copy of the approval to the person; and
 - (b) provide a copy of the approval to a person who asks for it (either free or for a reasonable charge determined by the Minister).

Limit on publication of approval

- (4) However, the Minister must not provide under subsection (3) a copy of so much of the approval as:
 - (a) is an exempt document under the *Freedom of Information Act 1982* on the grounds of commercial confidence; or
 - (b) the Minister believes it is in the national interest not to provide.

The Minister may consider the defence or security of the Commonwealth when determining what is in the national interest. This does not limit the matters the Minister may consider.

Circumstances in which approval must not be granted

- (5) The Minister must not approve for the purposes of a provision of Part 3 the taking in a State or self-governing Territory of an action that is covered by subsection (6) before the Minister receives from the State or Territory a notice described in paragraph 130(1B)(b). This does not apply if:
- (a) the action:
 - (i) is a nuclear action; or
 - (ii) is to be taken in a Commonwealth marine area; or
 - (iii) is to be taken on Commonwealth land; or
 - (iv) is to be taken by the Commonwealth or a Commonwealth agency; and
 - (b) the relevant impacts of the action have been assessed under Part 8.

Note: Subsection (5) also applies in relation to actions to be taken in an area offshore from a State or the Northern Territory. See section 157.

Actions to which subsection (5) applies

- (6) Subsection (5) applies to an action only if it:
- (a) is to be taken by any person for the purposes of trade or commerce between Australia and another country, between 2 States, between a State and a Territory or between 2 Territories or by a constitutional corporation; or
 - (b) is an action whose regulation is appropriate and adapted to give effect to Australia's obligations under an agreement with one or more other countries.

Notice of refusal of approval

- (7) If the Minister refuses to approve for the purposes of a controlling provision the taking of an action by the person who proposed to take the action, the Minister must give the person notice of the refusal.

Section 134

Note: Under section 13 of the *Administrative Decisions (Judicial Review) Act 1977*, the person may request reasons for the refusal, and the Minister must give them.

134 Attaching conditions to approval

Generally

- (1) The Minister may attach a condition to the approval of the action if he or she is satisfied that the condition is necessary or convenient for:
 - (a) protecting a matter protected by a provision of Part 3 for which the approval has effect; or
 - (b) repairing or mitigating damage to a matter protected by a provision of Part 3 for which the approval has effect (whether or not the damage has been, will be or is likely to be caused by the action).

Conditions to protect matters from the approved action

- (2) The Minister may attach a condition to the approval of the action if he or she is satisfied that the condition is necessary or convenient for:
 - (a) protecting from the action any matter protected by a provision of Part 3 for which the approval has effect; or
 - (b) repairing or mitigating damage that may or will be, or has been, caused by the action to any matter protected by a provision of Part 3 for which the approval has effect.

This subsection does not limit subsection (1).

Other conditions that may be attached to approval

- (3) The conditions that may be attached to an approval include:
 - (a) conditions relating to any security to be given by the person by bond, guarantee or cash deposit:
 - (i) to comply with this Act and the regulations; and
 - (ii) not to contravene a condition attached to the approval; and

- (iii) to meet any liability of the person whose taking of the action is approved to the Commonwealth for measures taken by the Commonwealth under section 499 (which lets the Commonwealth repair and mitigate damage caused by a contravention of this Act) in relation to the action; and
- (b) conditions requiring the person to insure against any specified liability of the person to the Commonwealth for measures taken by the Commonwealth under section 499 in relation to the approved action; and
- (c) conditions requiring the person taking the action to comply with conditions specified in an instrument (including any kind of authorisation) made or granted under a law of a State or self-governing Territory or another law of the Commonwealth; and
- (d) conditions requiring an environmental audit of the action to be carried out periodically by a person who can be regarded as being independent from the person whose taking of the action is approved; and
- (e) conditions requiring the preparation, submission for approval by the Minister, and implementation of a plan for managing the impacts of the approved action on a matter protected by a provision of Part 3 for which the approval has effect such as a plan for conserving habitat of a species or ecological community; and
- (f) conditions requiring specified environmental monitoring or testing to be carried out; and
- (g) conditions requiring compliance with a specified industry standard or code of practice.

This subsection does not limit the kinds of conditions that may be attached to an approval.

Considerations in deciding on condition

- (4) In deciding whether to attach a condition to an approval, the Minister must consider:

Section 135

- (a) any relevant conditions that have been imposed under a law of a State or self-governing Territory or another law of the Commonwealth on the taking of the action; and
- (aa) information provided by the person proposing to take the action or by the designated proponent of the action; and
- (b) the desirability of ensuring as far as practicable that the condition is a cost-effective means for the Commonwealth and the person taking the action to achieve the object of the condition.

Validity of decision

- (5) A failure to consider information as required by paragraph (4)(aa) does not invalidate a decision about attaching a condition to the approval.

135 Certain approvals and conditions must not give preference

- (1) This section deals with the approval:
 - (a) for the purposes of section 21 or 22A of a nuclear action:
 - (i) by a person for the purposes of trade or commerce between Australia and another country or between 2 States; or
 - (ii) by a constitutional corporation; or
 - (b) for the purposes of section 25 of an action that is prescribed for the purposes of subsection 25(1) and is taken:
 - (i) by a person for the purposes of trade or commerce between Australia and another country or between 2 States; or
 - (ii) by a constitutional corporation.
- (2) The Minister must not grant the approval, or attach a condition to the approval, that has the effect of giving preference (within the meaning of section 99 of the Constitution) to one State or part of a State over another State or part of a State.

Subdivision B—Considerations for approvals and conditions

136 General considerations

Mandatory considerations

- (1) In deciding whether or not to approve the taking of an action, and what conditions to attach to an approval, the Minister must consider the following, so far as they are not inconsistent with any other requirement of this Subdivision:
 - (a) matters relevant to any matter protected by a provision of Part 3 that the Minister has decided is a controlling provision for the action;
 - (b) economic and social matters.

Factors to be taken into account

- (2) In considering those matters, the Minister must take into account:
 - (a) the principles of ecologically sustainable development; and
 - (b) the assessment report relating to the action; and
 - (c) if the action was assessed under Division 5 or 6 of Part 8 (which deal with public environment reports and environmental impact statements)—the report or statement about the action finalised by the designated proponent; and
 - (d) if an inquiry was conducted under Division 7 of Part 8 in relation to the action—the report of the commissioners; and
 - (e) any other information the Minister has on the relevant impacts of the action (including information in a report on the impacts of actions taken under a policy, plan or program under which the action is to be taken that was given to the Minister under an agreement under Part 10 (about strategic assessments)); and
 - (f) any relevant comments given to the Minister by another Minister in accordance with an invitation under section 131.

Section 137

Person's environmental history

Minister not to consider other matters

- (5) In deciding whether or not to approve the taking of an action, and what conditions to attach to an approval, the Minister must not consider any matters that the Minister is not required or permitted by this Subdivision to consider.

137 Requirements for decisions about World Heritage

In deciding whether or not to approve, for the purposes of section 12 or 15A, the taking of an action and what conditions to attach to such an approval, the Minister must not act inconsistently with:

- (c) a plan that has been prepared for the management of a National Heritage place under section 324S or as described in section 324X.

138 Requirements for decisions about Ramsar wetlands

In deciding whether or not to approve for the purposes of section 16 or 17B the taking of an action, and what conditions to attach to such an approval, the Minister must not act inconsistently with Australia's obligations under the Ramsar Convention.

139 Requirements for decisions about threatened species and endangered communities

In deciding whether or not to approve for the purposes of a subsection of section 18 or section 18A the taking of an action, and what conditions to attach to such an approval, the Minister must not act inconsistently with:

- (a) Australia's obligations under:

Division 2—Requirement to comply with conditions

142 Compliance with conditions on approval

- (1) A person whose taking of an action has been approved under this Part must not contravene any condition attached to the approval.

Civil penalty:

- (a) for an individual—1,000 penalty units, or such lower amount as is prescribed by the regulations;
 - (b) for a body corporate—10,000 penalty units, or such lower amount as is prescribed by the regulations.
- (2) A contravention of a condition attached to an approval under this Part does not invalidate the approval.

142A Offence of breaching conditions on approval

- (1) A person whose taking of an action has been approved under this Part is guilty of an offence if:
- (a) the person takes an action or omits to take an action; and
 - (b) the action or omission contravenes a condition attached to the approval and the person is reckless as to that fact; and
 - (c) the action or omission results or will result in a significant impact on a matter protected by a provision of Part 3.

Chapter 4 Environmental assessments and approvals

Part 9 Approval of actions

Division 2 Requirement to comply with conditions

Note: Chapter 2 of the *Criminal Code* sets out the general principles of criminal responsibility.

- (4) An offence against subsection (1) or (2) is punishable on conviction by imprisonment for a term not more than 2 years, a fine not more than 120 penalty units, or both.

Note 1: Subsection 4B(3) of the *Crimes Act 1914* lets a court fine a body corporate up to 5 times the maximum amount the court could fine a person under this subsection.

Note 2: An executive officer of a body corporate convicted of an offence against this section may also be guilty of an offence against section 495.

Division 3—Variation of conditions and suspension and revocation of approvals

143 Variation of conditions attached to approval

- (1) The Minister may, by written instrument, revoke, vary or add to any conditions attached to an approval under this Part of an action if:
 - (a) any condition attached to the approval has been contravened;
or
 - (b) both of the following conditions are satisfied:
 - (i) the action has had a significant impact that was not identified in assessing the action on any matter protected by a provision of Part 3 for which the approval has effect, or the Minister believes the action will have such an impact;
 - (ii) the Minister believes it is necessary to revoke, vary or add a condition to protect the matter from the impact;
 - (c) the person whose taking of the action was approved agrees to the proposed revocation, variation or addition and the Minister is satisfied that any conditions attached to the approval after the proposed revocation, variation or addition are necessary or convenient for:
 - (i) protecting a matter protected by any provision of Part 3 for which the approval has effect; or
 - (ii) repairing or mitigating damage to a matter protected by a provision of Part 3 for which the approval has effect (whether or not the damage has been, will be or is likely to be caused by the action).
- (2) The Minister may, by written instrument, revoke any condition attached to an approval under this Part of an action if the Minister is satisfied that the condition is not needed to protect any matter protected by a provision of Part 3 for which the approval has effect.

Section 144

- (3) In deciding whether or not to revoke, vary or add to any conditions attached to the approval of the taking of an action by a person, the Minister may have regard to the person's history in relation to environmental matters.
- (4) The revocation, variation or addition takes effect on the day specified in the instrument. The Minister must not specify a day earlier than the day the instrument is made.
- (5) As soon as possible after making the instrument, the Minister must:
 - (a) give a copy of it to the person to whose action the approval relates; and
 - (b) publish the instrument in accordance with the regulations.

Note: If the person is not satisfied with changed conditions attached to the approval of the person's action, he or she can ask the Minister to reverse the change by making another change to the conditions under this section.

- (6) However, the Minister must not publish so much of the instrument as:
 - (a) is an exempt document under the *Freedom of Information Act 1982* on the grounds of commercial confidence; or
 - (b) the Minister believes it is in the national interest not to publish.

The Minister may consider the defence or security of the Commonwealth when determining what is in the national interest. This does not limit the matters the Minister may consider.

144 Suspension of approval

- (1) The Minister may, by written instrument, suspend the effect of an approval under this Part for the purposes of a specified provision of Part 3 for a specified period (which must not start before the day on which the instrument is made) if the Minister believes on reasonable grounds that:
 - (a) a significant impact on the matter protected by the provision has occurred because of the contravention of a condition attached to the approval; or
 - (b) the conditions specified in subsection (2) are satisfied.

- (2) The conditions are that:
 - (a) the action has had, or the Minister believes that the action will have, a significant impact that was not identified in assessing the action on a matter protected by a provision of Part 3 for which the approval has effect; and
 - (b) the approval would not have been granted if information that the Minister has about that impact had been available when the decision to approve the action was made.
- (3) In deciding whether or not to suspend an approval of the taking of an action by a person, the Minister may have regard to the person's history in relation to environmental matters.
- (4) During the specified period, the specified provision of Part 3 applies as if the Minister had not given the approval.
- (5) As soon as possible after making the instrument, the Minister must:
 - (a) give a copy of it to the person to whose action the approval relates; and
 - (b) publish the instrument in accordance with the regulations.

145 Revocation of approval

- (1) The Minister may, by written instrument, revoke an approval under this Part for the purposes of a specified provision of Part 3 if:
 - (a) a significant impact on the matter protected by the provision has occurred because of the contravention of a condition attached to the approval; or
 - (b) the conditions specified in subsection (2) are satisfied.
- (2) The conditions are that:
 - (a) the action has had, or the Minister believes that the action will have, a significant impact that was not identified in assessing the action on a matter protected by a provision of Part 3 for which the approval has effect; and
 - (b) the approval would not have been granted if information that the Minister has about that impact had been available when the decision to approve the action was made.

Section 145A

- (2A) The Minister may, by written instrument, revoke an approval under this Part of an action for the purposes of a specified provision of Part 3 if he or she believes that:
- (a) the impacts that the action has had, will have or is likely to have were not accurately identified in information available to the Minister when the approval was given; and
 - (b) the information did not accurately identify those impacts because of negligence or a deliberate act or omission by the person proposing to take the action or the designated proponent of the action.
- (3) In deciding whether or not to revoke an approval of the taking of an action by a person, the Minister may have regard to the person's history in relation to environmental matters.
- (4) The revocation takes effect on the day specified in the instrument. The Minister must not specify a day earlier than the day the instrument is made.
- (5) As soon as possible after making the instrument, the Minister must:
- (a) give a copy of it to the person to whose action the approval related; and
 - (b) publish the instrument in accordance with the regulations.

145A Reinstating suspended or revoked approval

Application

- (1) This section applies if the Minister has, by written instrument:
- (a) suspended an approval under this Part of the taking of an action by a person; or
 - (b) revoked an approval under this Part of the taking of an action by a person.

Requesting reinstatement of approval

- (2) Within 2 months after receiving a copy of the instrument under this Division, the person may request the Minister to reinstate the approval.

Deciding whether to reinstate approval

- (3) Within 20 business days of receiving the request, the Minister must decide whether or not to reinstate the approval.

Considerations for decision

- (4) Subdivision B of Division 1 applies to the decision whether or not to reinstate the approval in the same way as it applies to a decision whether or not to approve the taking of an action.

Extra time for decision

- (5) A day is not to be counted for the purposes of subsection (3) if:
- (a) the Minister and the person agree in writing that it should not be counted; or
 - (b) the Minister has requested the person to provide information under subsection (6) and the day is on or before the day on which the Minister receives the last of the information requested.

Requesting information for decision

- (6) If the Minister believes on reasonable grounds that he or she does not have enough information to make an informed decision whether or not to reinstate the approval, the Minister may request the person to provide specified information relevant to making the decision.

Reversal of decision to suspend or revoke approval

- (7) If the Minister decides to reinstate the approval, it and any conditions attached to it immediately before the suspension or revocation have effect on and after the day of the decision (subject to any future suspension or revocation under this Division).

Notice of decision about reversal

- (8) The Minister must:
- (a) give the person written notice of the Minister's decision; and

Chapter 4 Environmental assessments and approvals

Part 9 Approval of actions

Division 3 Variation of conditions and suspension and revocation of approvals

Section 145A

- (b) publish notice of the decision in accordance with the regulations.

Division 4—Transfer of approvals

145B Transfer with Minister's consent

Transfer by written agreement

- (1) A person (the *transferor*) whose taking of an action has been approved under this Part for the purposes of a provision of Part 3 may transfer the approval to another person (the *transferee*) by written agreement, subject to the Minister's consent.

Transfer ineffective until Minister consents

- (2) The transfer does not have effect for the purposes of this Act until the Minister consents in writing to the transfer. To avoid doubt, the Minister's consent to a transfer cannot take effect before the Minister gives the consent.

Effect of consent

- (3) If the Minister consents to the transfer:
 - (a) this Act (except Division 3) operates in relation to the transferor as if the Minister had revoked the approval when the Minister's consent took effect; and
 - (b) this Act operates in relation to the transferee as if, when the Minister's consent to the transfer took effect, he or she:
 - (i) had approved under this Part for the purposes of the provision of Part 3 the taking of the action by the transferee; and
 - (ii) had attached to the approval the conditions that were attached to the approval of the taking of the action by the transferor.

Considerations in deciding whether to consent

- (4) In deciding whether or not to consent to the transfer, the Minister may consider:

Section 145B

- (a) whether the transferee would be a suitable person to be granted the approval, having regard to the transferee's history in relation to environmental matters; and
- (b) whether the transferee can comply with the conditions attached to the approval.

Giving copies of consents to transferor and transferee

- (5) The Minister must give the transferor and the transferee a copy of the consent each.

Part 10—Strategic assessments

Division 1—Strategic assessments generally

146 Minister may agree on strategic assessment

- (1) The Minister may agree in writing with a person responsible for the adoption or implementation of a policy, plan or program that an assessment be made of the impacts of actions under the policy, plan or program on a matter protected by a provision of Part 3.
 - (1A) The agreement may also provide for the assessment of other certain and likely impacts of actions under the policy, plan or program if:
 - (a) the actions are to be taken in a State or self-governing Territory; and
 - (b) the appropriate Minister of the State or Territory has asked the Minister administering this section to ensure that the assessment deal with those other impacts to help the State or Territory, or an agency of the State or Territory, make decisions about the actions; and
 - (c) the actions:
 - (i) are to be taken by any person for the purposes of trade or commerce between Australia and another country, between 2 States, between a State and a Territory or between 2 Territories or by a constitutional corporation; or
 - (ii) are actions whose regulation is appropriate and adapted to give effect to Australia's obligation under an agreement with one or more other countries.
- Note: Paragraph (1A)(a) also applies to actions to be taken in an area offshore from a State or the Northern Territory. See section 157.
- (2) The agreement must provide for:
 - (aa) the preparation of draft terms of reference for a report on the impacts to which the agreement relates; and

Section 146

- (ab) the publication of the draft terms of reference for public comment for a period of at least 28 days that is specified by the Minister; and
- (ac) the finalisation of the terms of reference, to the Minister's satisfaction, taking into account the comments (if any) received on the draft terms of reference; and
- (a) the preparation of a draft of a report on the impacts to which the agreement relates; and
- (b) the publication of the draft report for public comment for a period of at least 28 days that is specified by the Minister; and
- (c) the finalisation of the report, taking into account the comments (if any) received after publication of the draft report; and
- (d) the provision of the report to the Minister; and
- (e) the making of recommendations by the Minister to the person about the policy, plan or program (including recommendations for modification of the policy, plan or program); and
- (f) the endorsement of the policy, plan or program by the Minister if he or she is satisfied that:
 - (i) the report adequately addresses the impacts to which the agreement relates; and
 - (ii) either the recommended modifications of the policy, plan or program (if any) have been made or any modifications having the same effect have been made; and
- (g) any other matter prescribed by the regulations.

Note 1: If the impacts of actions under a policy, plan or program are assessed under an agreement under this Part, the Minister may decide on a less onerous approach for an assessment relating to an individual action under the policy, plan or program. See section 87.

Note 2: If the Minister endorses a policy, plan or program embodied in a management plan in force under a law, he or she may declare under section 33, or make a bilateral agreement declaring, that actions approved in accordance with the management plan do not need approval for the purposes of a specified provision of Part 3.

- (3) If the agreement relates to actions to be taken in a State or self-governing Territory, the Minister must tell the appropriate Minister of the State or Territory:
- (a) that the agreement has been made; and
 - (b) what those actions are (in general terms).

Division 2—Assessment of Commonwealth-managed fisheries

147 Simplified outline of this Division

The following is a simplified outline of this Division:

The Australian Fisheries Management Authority must make agreements under Division 1 for the assessment of actions in fisheries managed under the *Fisheries Management Act 1991*. An agreement must be made whenever it is proposed to make a management plan or a determination not to have a plan. An agreement must be made within 5 years of the commencement of this Act for all fisheries that did not have plans at that commencement.

The Minister administering the *Torres Strait Fisheries Act 1984* must make agreements under Division 1 for the assessment of actions permitted by policies or plans for managing fishing in Torres Strait. All policies or plans must be covered by an agreement within 5 years after the commencement of this Act.

A further agreement for assessment must be made if the impact of the actions is significantly greater than assessed under an earlier agreement.

If the Minister endorses a policy or plan assessed under an agreement under Division 1, the Minister must make a declaration that actions under the policy or plan do not need approval under Part 9 for the purposes of section 23 or 24A (which protect the marine environment).

148 Assessment before management plan is determined

Plans under the Fisheries Management Act 1991

- (1) Before the Australian Fisheries Management Authority determines a plan of management for a fishery under section 17 of the *Fisheries Management Act 1991*, the Authority must:
 - (a) make an agreement with the Minister under section 146 for assessment of the impacts of actions under the plan on each matter protected by a provision of Part 3; and
 - (b) consider any recommendations made by the Minister under the agreement.

Plans under the Torres Strait Fisheries Act 1984

- (2) Before the Minister administering the *Torres Strait Fisheries Act 1984* determines a plan of management for a fishery under section 15A of that Act, he or she must:
 - (a) make an agreement under section 146 with the Minister (the ***Environment Minister***) administering this section for assessment of the impacts of actions under the plan on each matter protected by a provision of Part 3; and
 - (b) consider any recommendations made by the Environment Minister under the agreement.

149 Assessment before determination that no plan required

Before the Australian Fisheries Management Authority determines under subsection 17(1A) of the *Fisheries Management Act 1991* that a plan of management is not warranted for a fishery, the Authority must:

- (a) make an agreement with the Minister under section 146 for assessment of the impacts of actions on each matter protected by a provision of Part 3, being actions permitted under the Authority's policy for managing the fishery; and
- (b) consider any recommendations made by the Minister under the agreement.

Section 150

150 Assessment of all fisheries without plans must be started within 5 years

Fisheries managed under the Fisheries Management Act 1991

- (1) This section applies to fisheries (as defined in the *Fisheries Management Act 1991*):
- (a) that are managed under that Act (whether as a result of arrangements under section 71 or 72 of that Act or not); and
 - (b) for which there were not plans of management in force under that Act when this Act commenced.

Two-thirds of fisheries to be covered by agreements in 3 years

Division 4—Application of Chapter to actions that are not controlled actions

Subdivision A—Minister’s advice on authorising actions

159 Simplified outline of this Subdivision

The following is a simplified outline of this Subdivision:

A Commonwealth agency or employee must consider advice from the Minister before authorising one of the following actions with a significant impact on the environment:

- (a) providing foreign aid;
- (b) managing aircraft operations in airspace;
- (c) adopting or implementing a major development plan for an airport;
- (d) an action prescribed by the regulations.

The agency or employee must inform the Minister of the proposal to authorise the action.

The environmental impacts of the action must be assessed in accordance with a declaration made by the Minister accrediting a Commonwealth assessment process, or by one of the following methods chosen by the Minister:

- (a) a specially accredited process;
- (b) an assessment on preliminary documentation under Division 4 of Part 8;
- (c) a public environment report under Division 5 of Part 8;

- (d) an environmental impact statement under Division 6 of Part 8;
- (e) an inquiry under Division 7 of Part 8.

The Minister must give the agency or employee advice on protecting the environment from the action, within 30 days of receiving the report of the assessment.

160 Requirement to take account of Minister's advice

Requirement

- (1) Before a Commonwealth agency or employee of the Commonwealth gives an authorisation (however described) of an action described in subsection (2), the agency or employee must obtain and consider advice from the Minister in accordance with this Subdivision.

Note: The giving of an authorisation for an action may be constituted by the renewal of an authorisation of the action or the variation of an authorisation for a different action.

Relevant actions

- (2) Subsection (1) applies in relation to:
 - (a) the entry by the Commonwealth, under Australia's foreign aid program, into a contract, agreement or arrangement for the implementation of a project that has, will have or is likely to have a significant impact on the environment anywhere in the world; and

Section 160

(2A) Regulations may prescribe an action for the purposes of paragraph (2)(d):

- (a) partly by reference to the action's having, or being likely to have, a significant impact on the environment; or
- (b) partly by reference to a specified person believing that the action has, will have or is likely to have a significant impact on the environment; or
- (c) wholly or partly by reference to legislation under which the authorisation of the action is to be granted.

This does not limit the ways in which regulations may prescribe an action.

This section does not apply to actions like those already assessed

(3) Subsection (1) does not apply in relation to a particular authorisation (the **later authorisation**) if the agency or employee has complied with, or is complying with, this Subdivision in relation to another authorisation or proposed authorisation and is satisfied of one or both of the matters in subsection (4).

Which actions are like actions?

(4) For the purposes of subsection (3), the agency or employee must be satisfied that:

- (a) the Minister's advice relating to the other authorisation deals or will deal with all the impacts that the action to which the later authorisation relates has, will have or is likely to have on the environment; or
- (b) the impacts that the action to which the later authorisation relates has, will have or is likely to have on the environment:
 - (i) are an extension of the corresponding impacts of the action to which the other authorisation relates; and
 - (ii) are not significantly different in nature from those corresponding impacts; and
 - (iii) do not significantly add to those corresponding impacts.

State law excluded in relation to aviation

- (5) A law of a State or Territory does not apply in relation to the assessment of the certain or likely environmental impacts of an action described in paragraph (2)(b) if subsection (1) applies in relation to authorisation of the action, or would apply apart from subsection (3).

161 Seeking the Minister's advice

Requirement for referral

 - (b) this difficulty poses an additional threat to the last-mentioned species; and
 - (c) it would substantially promote the objects of this Act if the first-mentioned species were regarded as critically endangered.
- (4) The Minister may include a native species in the endangered category if satisfied that:
 - (a) it so closely resembles in appearance, at any stage of its biological development, a species that is eligible to be included in that category (see subsection 179(4)) that it is difficult to differentiate between the 2 species; and

Section 189

- (4) A threatening process is eligible to be treated as a key threatening process if:
- (a) it could cause a native species or an ecological community to become eligible for listing in any category, other than conservation dependent; or
 - (b) it could cause a listed threatened species or a listed threatened ecological community to become eligible to be listed in another category representing a higher degree of endangerment; or
 - (c) it adversely affects 2 or more listed threatened species (other than conservation dependent species) or 2 or more listed threatened ecological communities.
