Timber production, trade and flows in Cameroon: Where to look for?

Paolo Omar Cerutti p.cerutti@cgiar.org
What comes into the country?

30%!
Where to?
FLEGT licences...
...with background noise
Production – Species (1998-2010)

Partial log-export ban!
What species go where? (2013)

- Only >5% of total shown
Production and exports (in/formal)
So, what to check?

- Cameroon or ...?
- Certified/Managed concession or ...?
- Must have paid taxes (certificates of solvency)
- Must have been inventoried, authorised and declared

- And if you feel really inspired...
TRANSPARENCY IS BEAUTIFUL
IF YOU HAVE NOTHING TO HIDE
