# Key activities

- Compilation and analysis of the MS reports
- Trade flow analysis
- Consultation of stakeholders
  - - survey questionnaires on Commission's website ***Your Voice in Europe April – June 2015***
- Review of the functioning and effectiveness of the EUTR
  - - based on bullet points 1-3 above

# MS reports

- Parties are encouraged to respond to all questions. Inputs can be made in spaces highlighted in grey.
- Unless otherwise indicated, responses should reflect measures taken during the reporting period.
- This reporting format is intended to be completed by making use of tick boxes and expandable space.
- The format is designed so that CAs can take as much space as required to give a full answer.
