Myanmar to China trade flows

Primary direct timber flows from Myanmar to China*

*Does not include timber sent through Hong Kong, Thailand, or Malaysia before being re-exported to mainland China.

Timber flows from Myanmar, re-exported to China via other countries

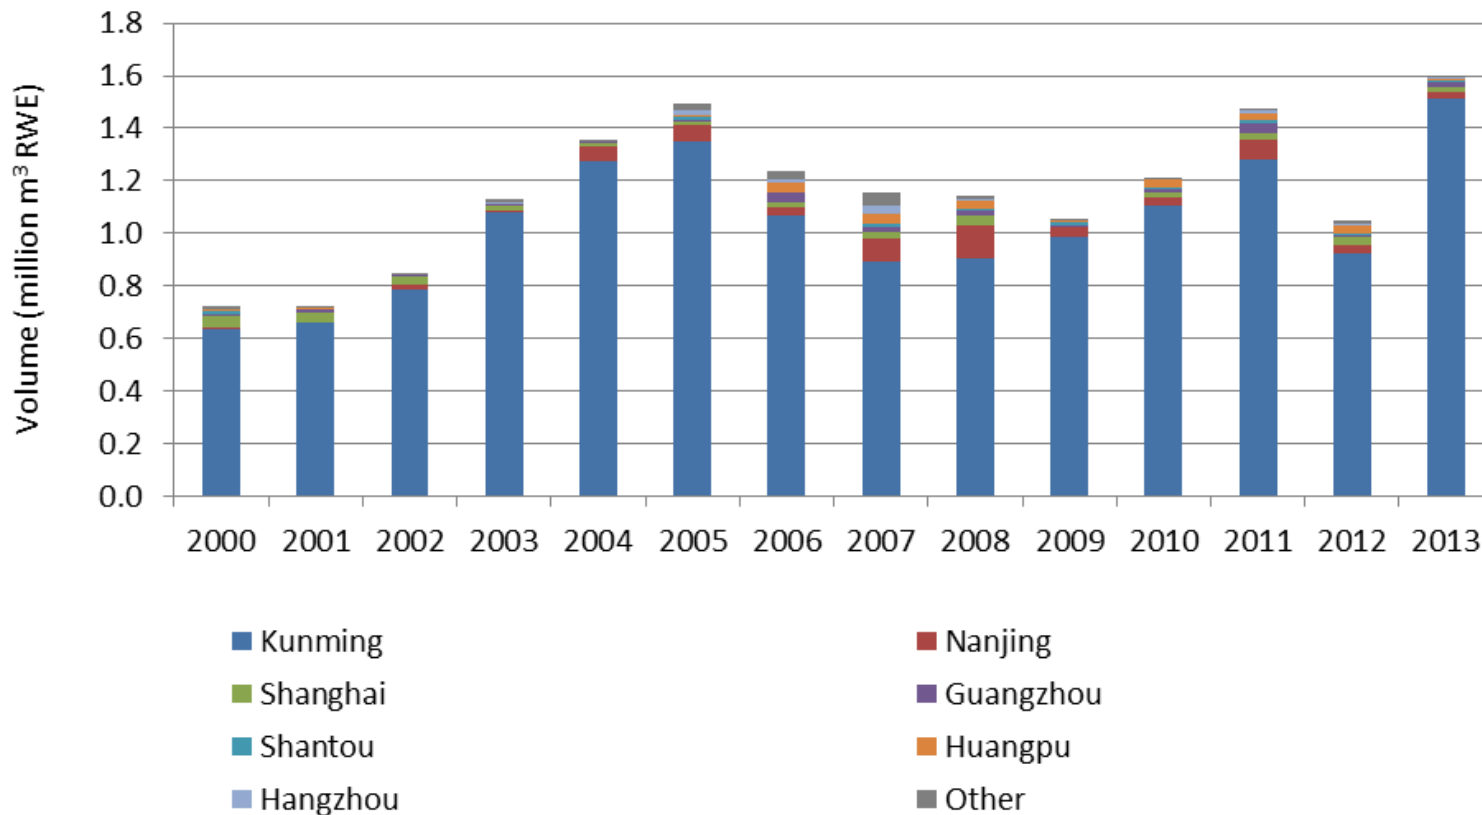

Timber flows from Myanmar, re-exported to China via other countries*

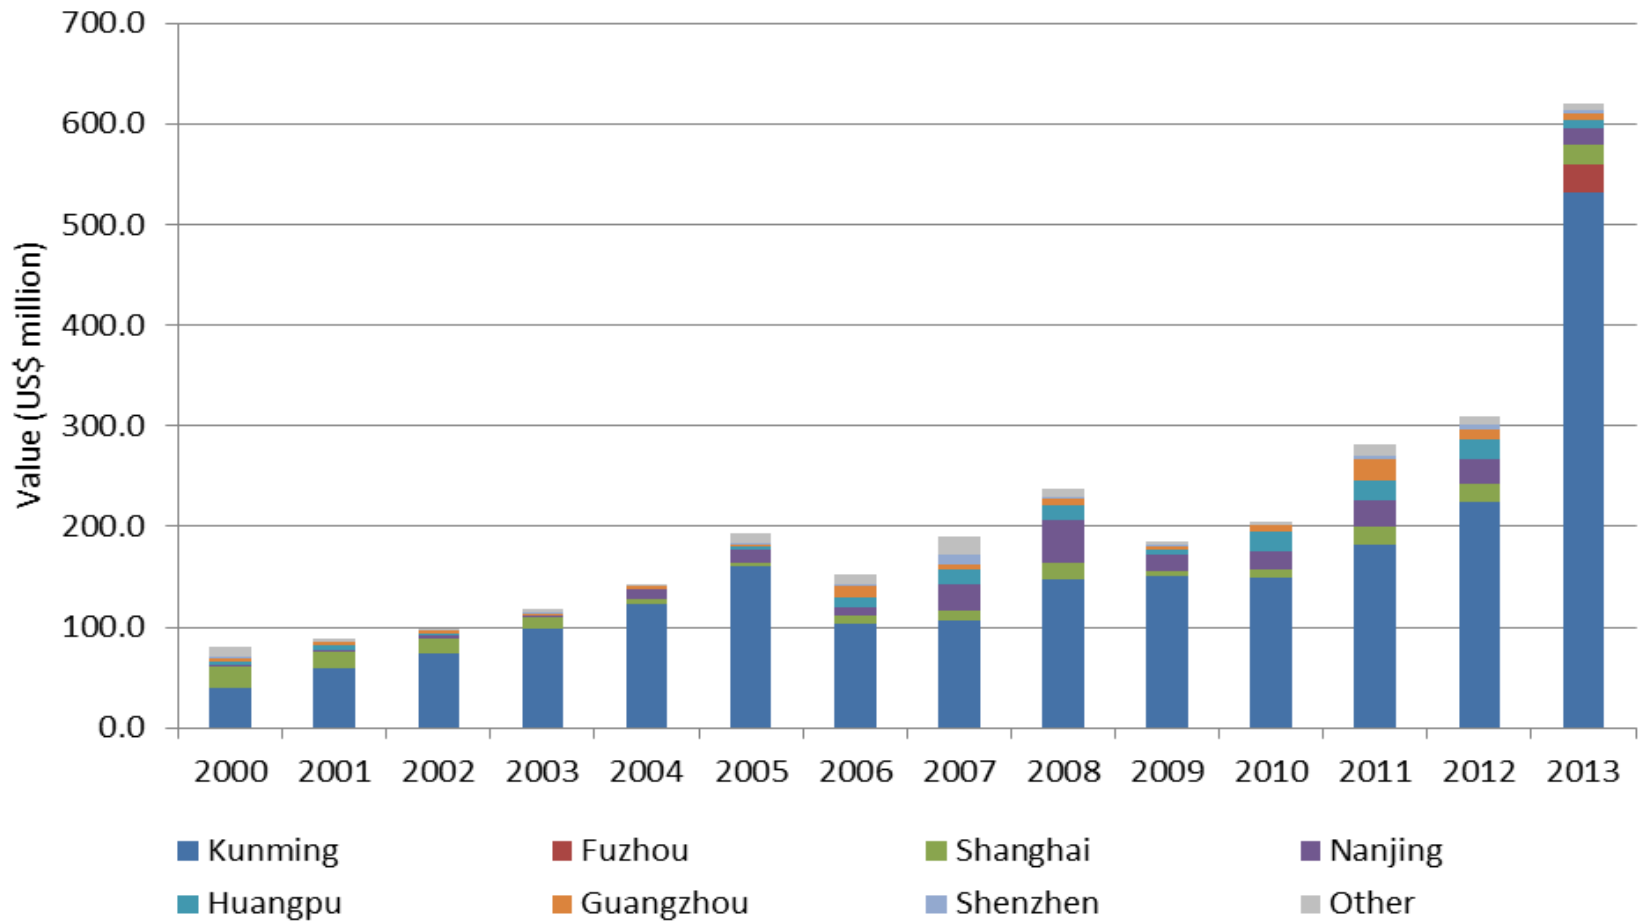

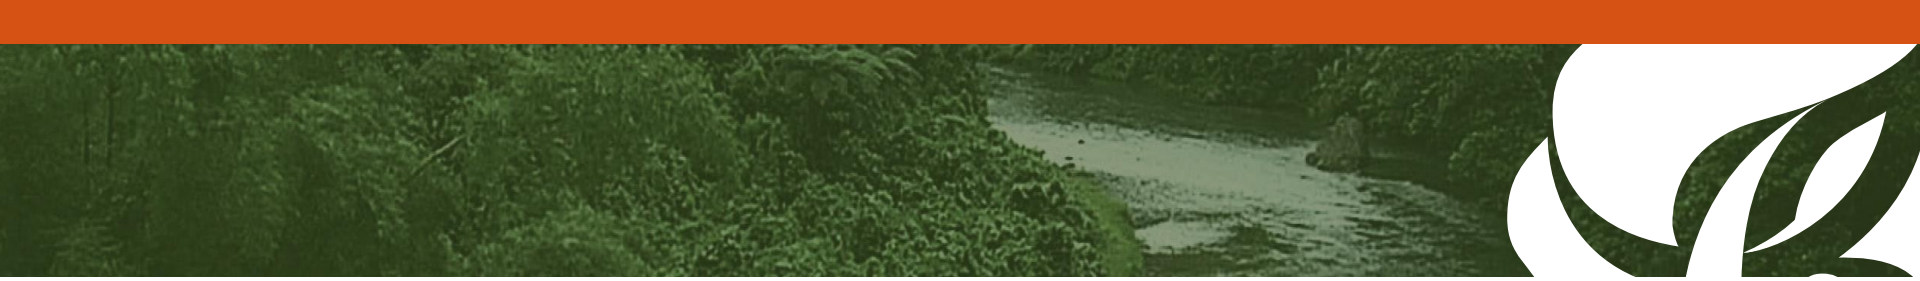

*Map does not include timber exported directly from Myanmar to China.

China's timber products imports from Myanmar by customs district (Volume)

China's timber products imports from Myanmar by customs district (value)

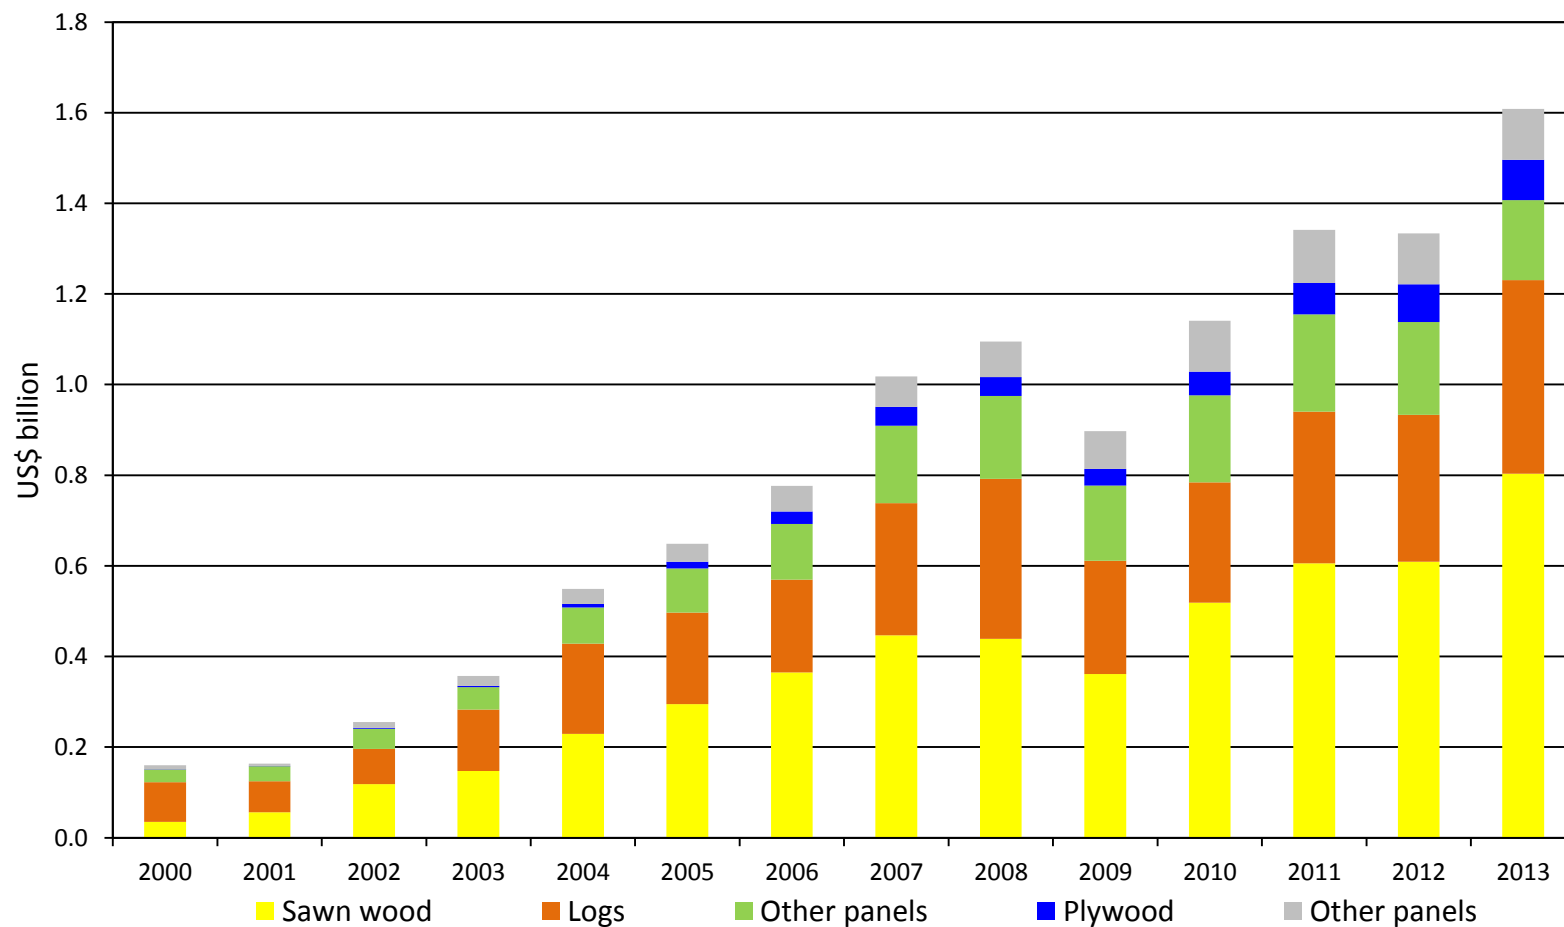

A scenic landscape of rolling green hills and a dense forest under a cloudy sky. The foreground is dominated by a lush, green forest with various tree species. In the middle ground, there are rolling hills covered in dense vegetation, with some areas appearing more open or grassy. The background shows more distant, hazy hills under a sky filled with soft, white clouds. The overall atmosphere is peaceful and natural.

Thank you
